Mona,
 Even though you
 still want to have
 fun during the next school
 year, and I won't be here
 I am sure you for walking was
 through my life even though it was
 more like a run instead of a walk. Prom
 was incredible, you looped so beautiful in
 that dress you wore and I will remember the
 good time we had that evening. Maybe if I ask you out
 lucky and have you (probably) in the month, I'll even
 again teach you to drive it (consider your self lucky, your the only
 girl out side the family let the make population take advantage of your self
 fun and good luck. Love you always

SPRIT

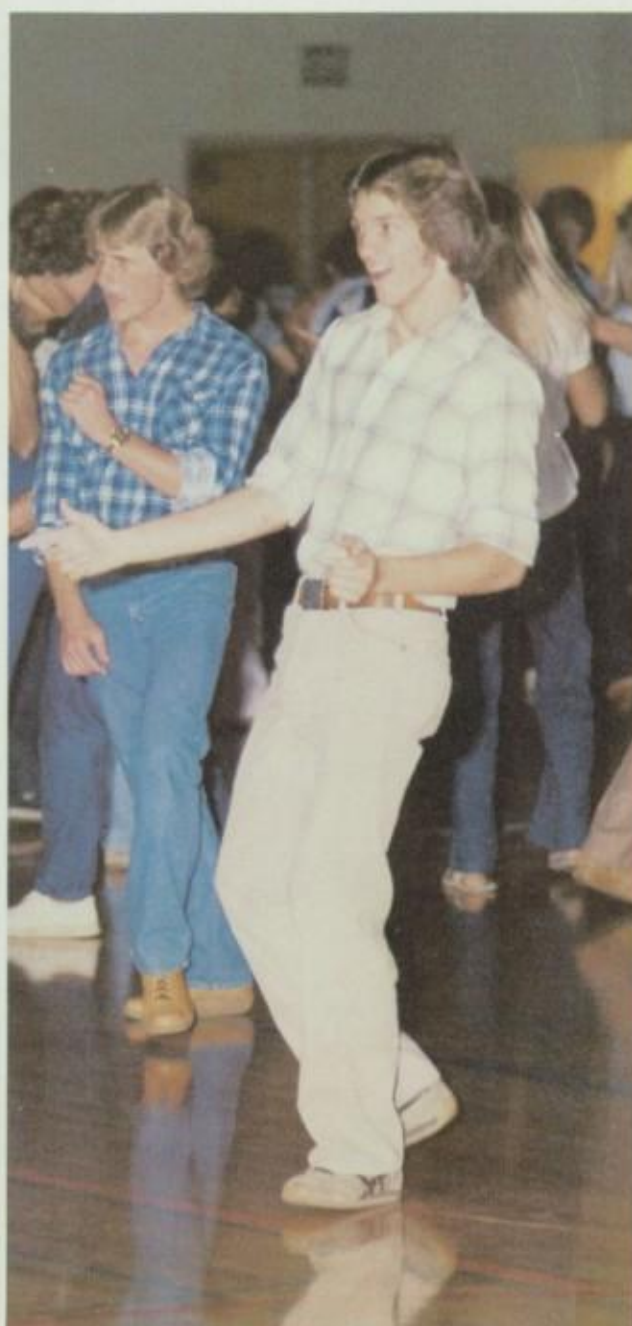

"My locker won't open!" "I can't find my first class!" "Mom!" The first day of school began in the typical manner. Summer had, as usual, passed away too quickly, leaving students and faculty only fond memories of its existence. Some greeted opening day with more enthusiasm than others; however, everyone enjoyed the opportunity to share with old friends the good times of vacation.

As the student body gathered together for the opening day assembly, they learned that this was to be a very special year, for Orange High was to celebrate its 75th anniversary and 75 YEARS OF SCHOOL SPIRIT. The student body quickly latched on to this theme under the leadership of the A.S.B. Cabinet and cheerleaders who provided activities and led yells in which everyone could express their spirit.

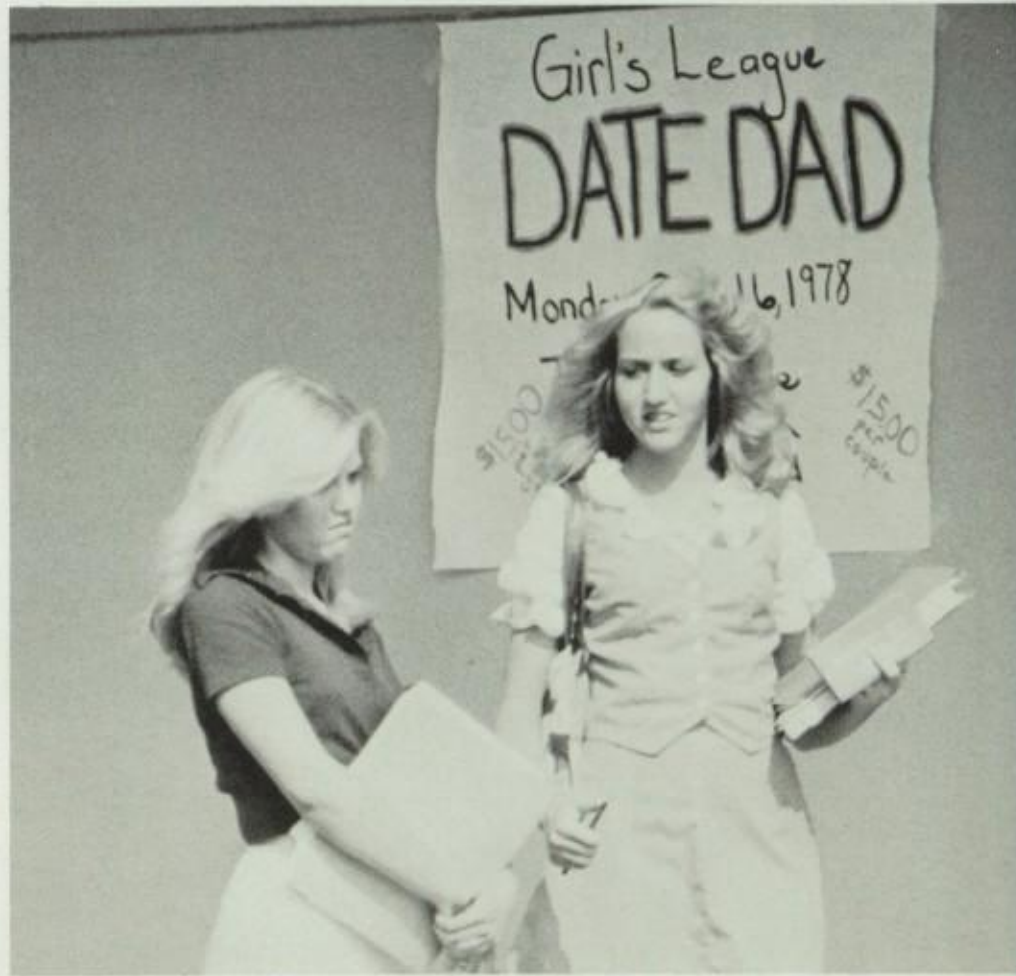

Within a couple of weeks, a new presence of spirit could be found flowing through the school. At spirit assemblies, numbers of students packed the Orange Dome to capacity to hold cheering matches across the floor as they gave encouragement to the teams playing that night. There also seemed to be a greater outreach by students in the area of social activities and club meetings.

Such enthusiasm generated by the students around school life triggered a greater need for students to be around Orange High rather than at home or out to lunch. Hence, the academic program at Orange also prospered with a greater level of fervent attendance as Orange High greeted 75 YEARS OF SCHOOL SPIRIT.

SPIRIT

**WE'VE
GOT THE**

As the yell and song leaders performed their routines, the crowd rose to their feet. The Panthers had the ball with thirty seconds left to play in this important game and were down by one point. The team quickly executed their last play and at the buzzer made the basket to win the game. With this, the full-house crowd goes wild over another Orange High victory.

This combination of yell and song leaders cheering and a Varsity team entering into fierce competition with a rival school set the pace for spirit through the year.

After many hours of practice during the summer, the cheerleaders began promoting spirit among the student body during the opening day assembly. This spirit was then spread by the pep squad to all the Varsity games.

The athletes that participated in these games were also dedicated to their positions as they practiced long hours perfecting their skills. Not only did these individuals inspire the crowds with their playing on the field and court, but also with their participation in activities on campus.

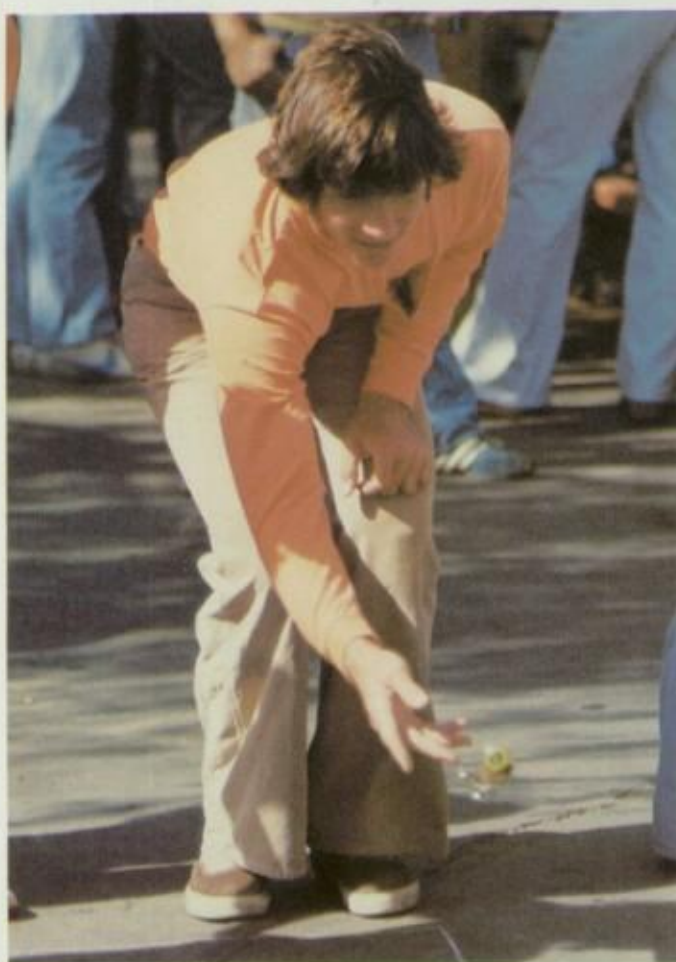

SPIRIT!

Any student would agree that as the year wears on with its day in and day out routine, school can become quite monotonous. However, through its 75 years, Orange High has learned that school activities offer students a break from their same tedious schedule. So, the 1978-79 school year provided students with just as many activities as in the past. The main difference in activities of this year was the number of students who participated. In sports events, the Panther fans filled the stands. The first rec nite had over 150 people joining in on the action and the A.S.B.'s Talent Show was shown for three nights for the first time. In addition, large numbers of students took part in such lunch activities as chug-a-lugs, movies and concerts which were featured throughout the year.

Through these activities, spirit was generated through the school. As the year progressed, more and more students soon were taking part in these activities and joining in on the fun of celebrating 75 YEARS OF SCHOOL SPIRIT.

SPIRIT 1979

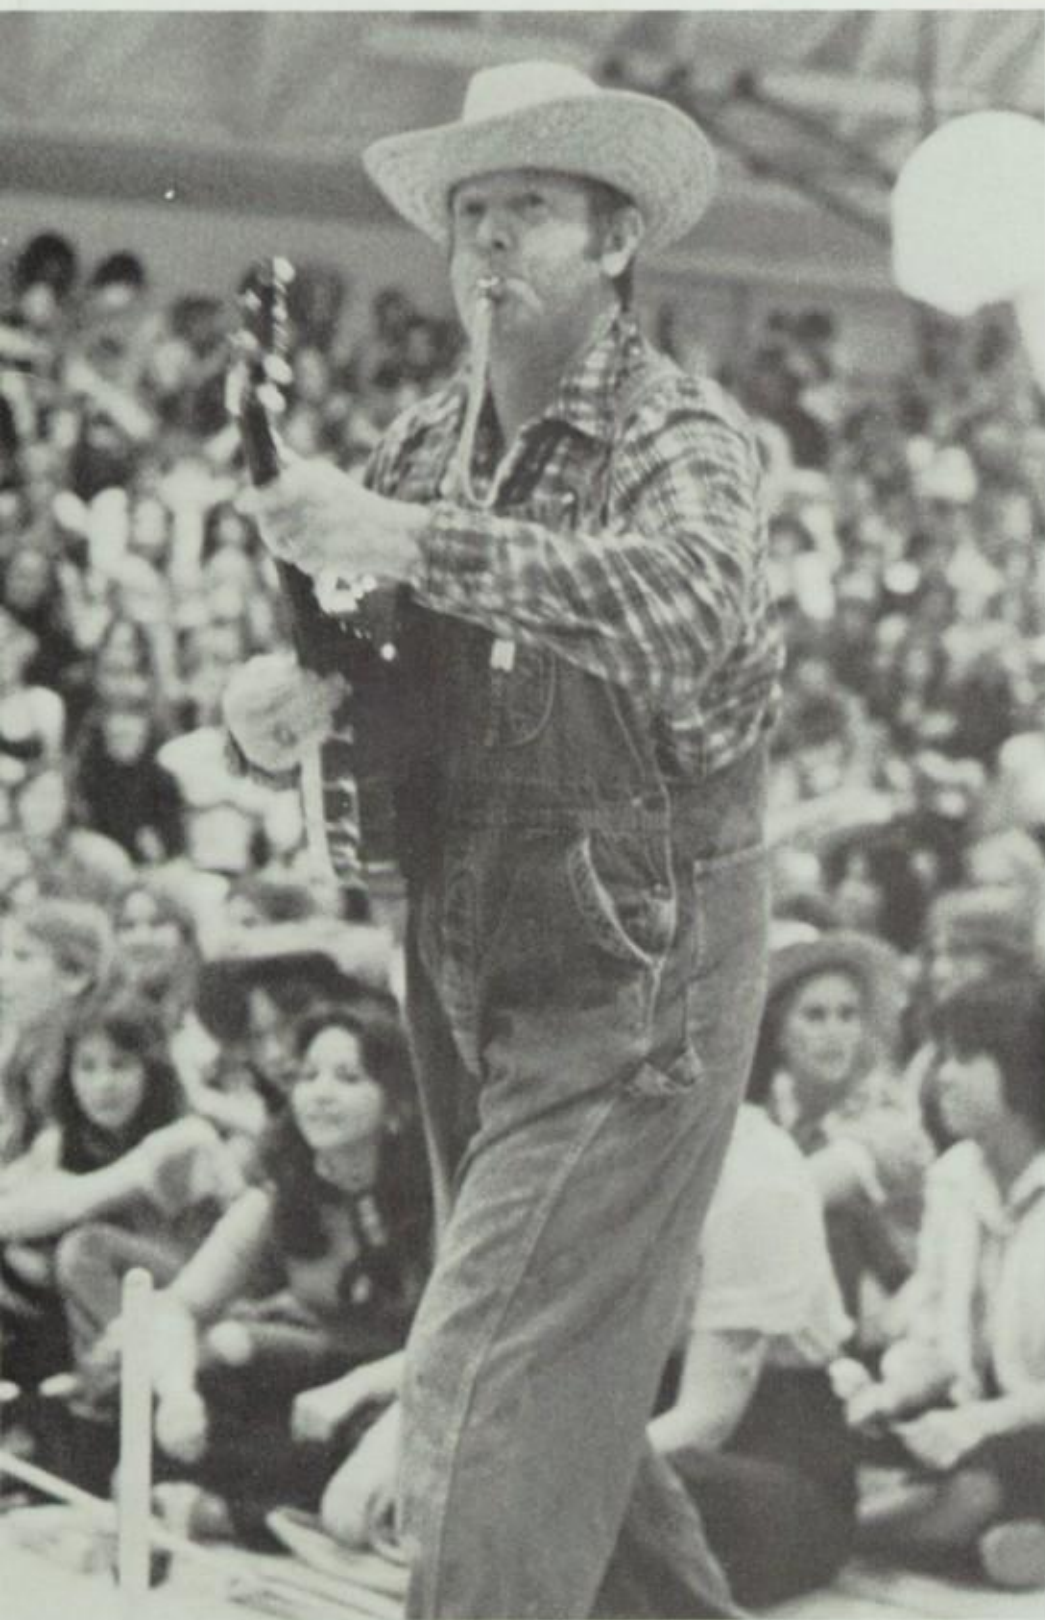

SPIRIT

SPIRIT!
75 YEARS OF

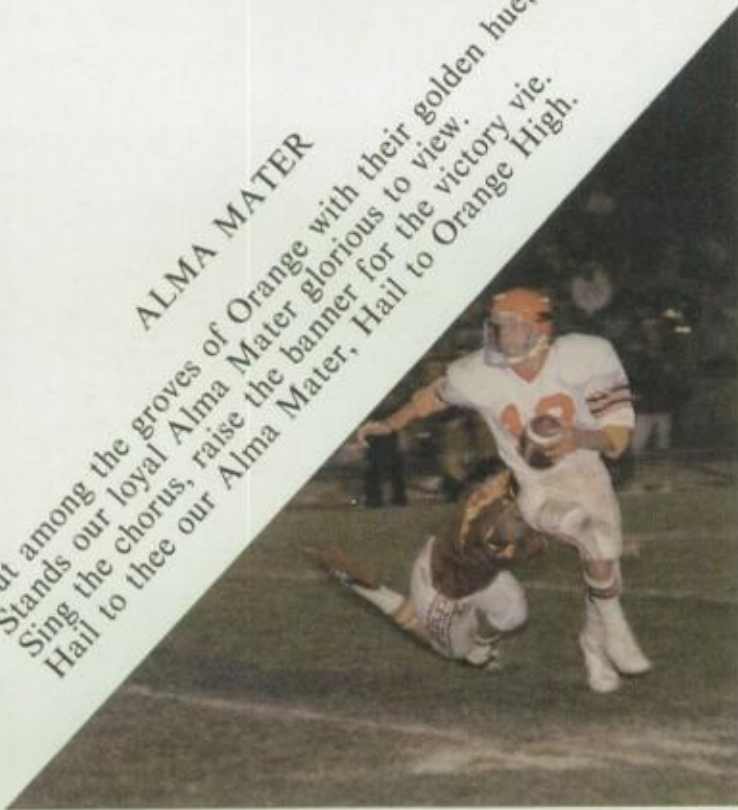

The Spirit that the student body expressed this year was more than just a surface emotion. Instead, it was a deep feeling of pride in one's school as well as in one's self. When a person supports his school either by participating in sports or activities, he actually is benefitting himself by becoming involved and making his stay at Orange High a more enjoyable experience.

Therefore, the 75th anniversary at Orange High served a dual purpose. Not only did it give rise to an increase in spirit and pride for Orange High, but it also has given the students participating in extracurricular activities a chance to boost one's self respect through social interaction.

ALMA MATER
 Out among the groves of Orange with their golden hue,
 Stands our loyal Alma Mater glorious to view.
 Sing the chorus, raise the banner for the victory vic.
 Hail to thee our Alma Mater, Hail to Orange High.

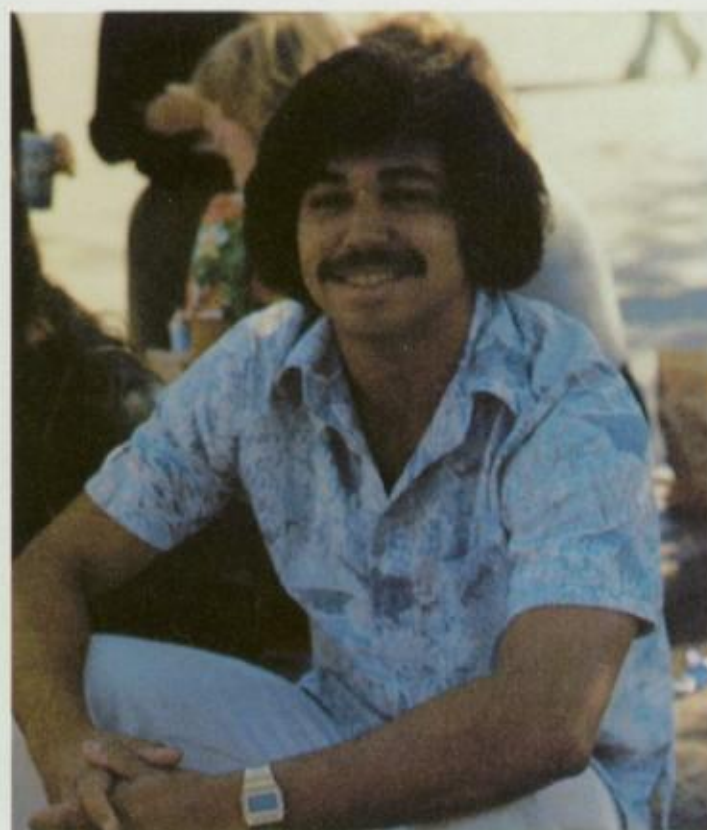

SPIRIT

1979

As the 1978-1979 school year developed, it appeared obvious that spirit was developing throughout the student body as well. When this growth of spirit occurred, the realization of the importance of spirit in a learning institution gradually became more evident. First, the level of spirit attained acted as a motivating factor. Students were more enthusiastic than in the past when faced with the academic aspect of school. Also, the main core of students who became involved in the social activities at Orange High formed a unified group. As students sought acceptance from their peers, many found that they could become apart of this group if they too took part in activities on campus. This set off a chain reaction leading a number of students to become involved. Spirit has reached different levels of intensity throughout Orange High's history. However, the level of spirit attained by this year's student body proved to have roots back through Orange High's 75 years; 75 YEARS OF SCHOOL SPIRIT.

STUDENT LEADERS

ASB Cabinet

While most students were enjoying their summer vacations either on the beach or at some other remote place, the 1978-1979 A.S.B. Cabinet was busily meeting in order to prepare for the upcoming school year. Meeting three times every two weeks, the fourteen member squad developed the theme for the year, 75 YEARS OF SCHOOL SPIRIT, as well as organized the opening day skit. With these two tasks accomplished, the Cabinet began to plan activities around Orange High's 75th anniversary.

During the school year, the A.S.B. put on its annual events and activities under the direction of Ms. Thielman. As usual, the Cabinet took charge of Spirit Week, the Homecoming halftime show (which featured fireworks for the first time), and the Homecoming Dance. In winter, the A.S.B. sponsored Orange High's 3rd annual Talent Show which showed for three nights (also a first). Throughout the year, the A.S.B. Cabinet also tried to promote spirit and enthusiasm in the school with its spirit assemblies, rec nites, and lunch activities. Probably the biggest addition to the A.S.B.'s numerous activities this year was the Friendship Crusade. This group of involved students, would on certain days, mingle with the student body hoping to draw more interest in the school and the activities if offered. The A.S.B. Cabinet hoped that through this program more students would realize that high school can be more than just a learning experience.

The 1978 Homecoming game was fun yet disappointing to the players who lost 36-0. The candidates who arrived in antique cars were excited to break the tradition of coming in sports cars.

Proud fathers join together with their excited daughters. Ken Cirks and his racoon prove themselves to be "Peppers". Last years queen, Jean Ziegler with her successor Alisa Genovese. Football players show their spirit even though they lost. Homecoming brings together old and new RaHS for a fun evening. Our 1978 Homecoming candidates join together for one more picture.

HOMECOMING- 1978

The night of October 27th at the Anaheim Convention Center, students were welcomed to the "Starlight Ballroom" for their 1978 Homecoming Dance. There to entertain them was the Starlight Band. This 5 member band, expensive to obtain played for the near 600 persons attending the event from 8:00 to 12:00. The dancers were lucky to have a large dance floor for both the slow and disco dancing.

Drinks were available to quench thirsts and refresh hot dancers. The rest of the room was set up with nicely set tables and chairs, which were a welcome sight to weary dancers.

Overalls For Two

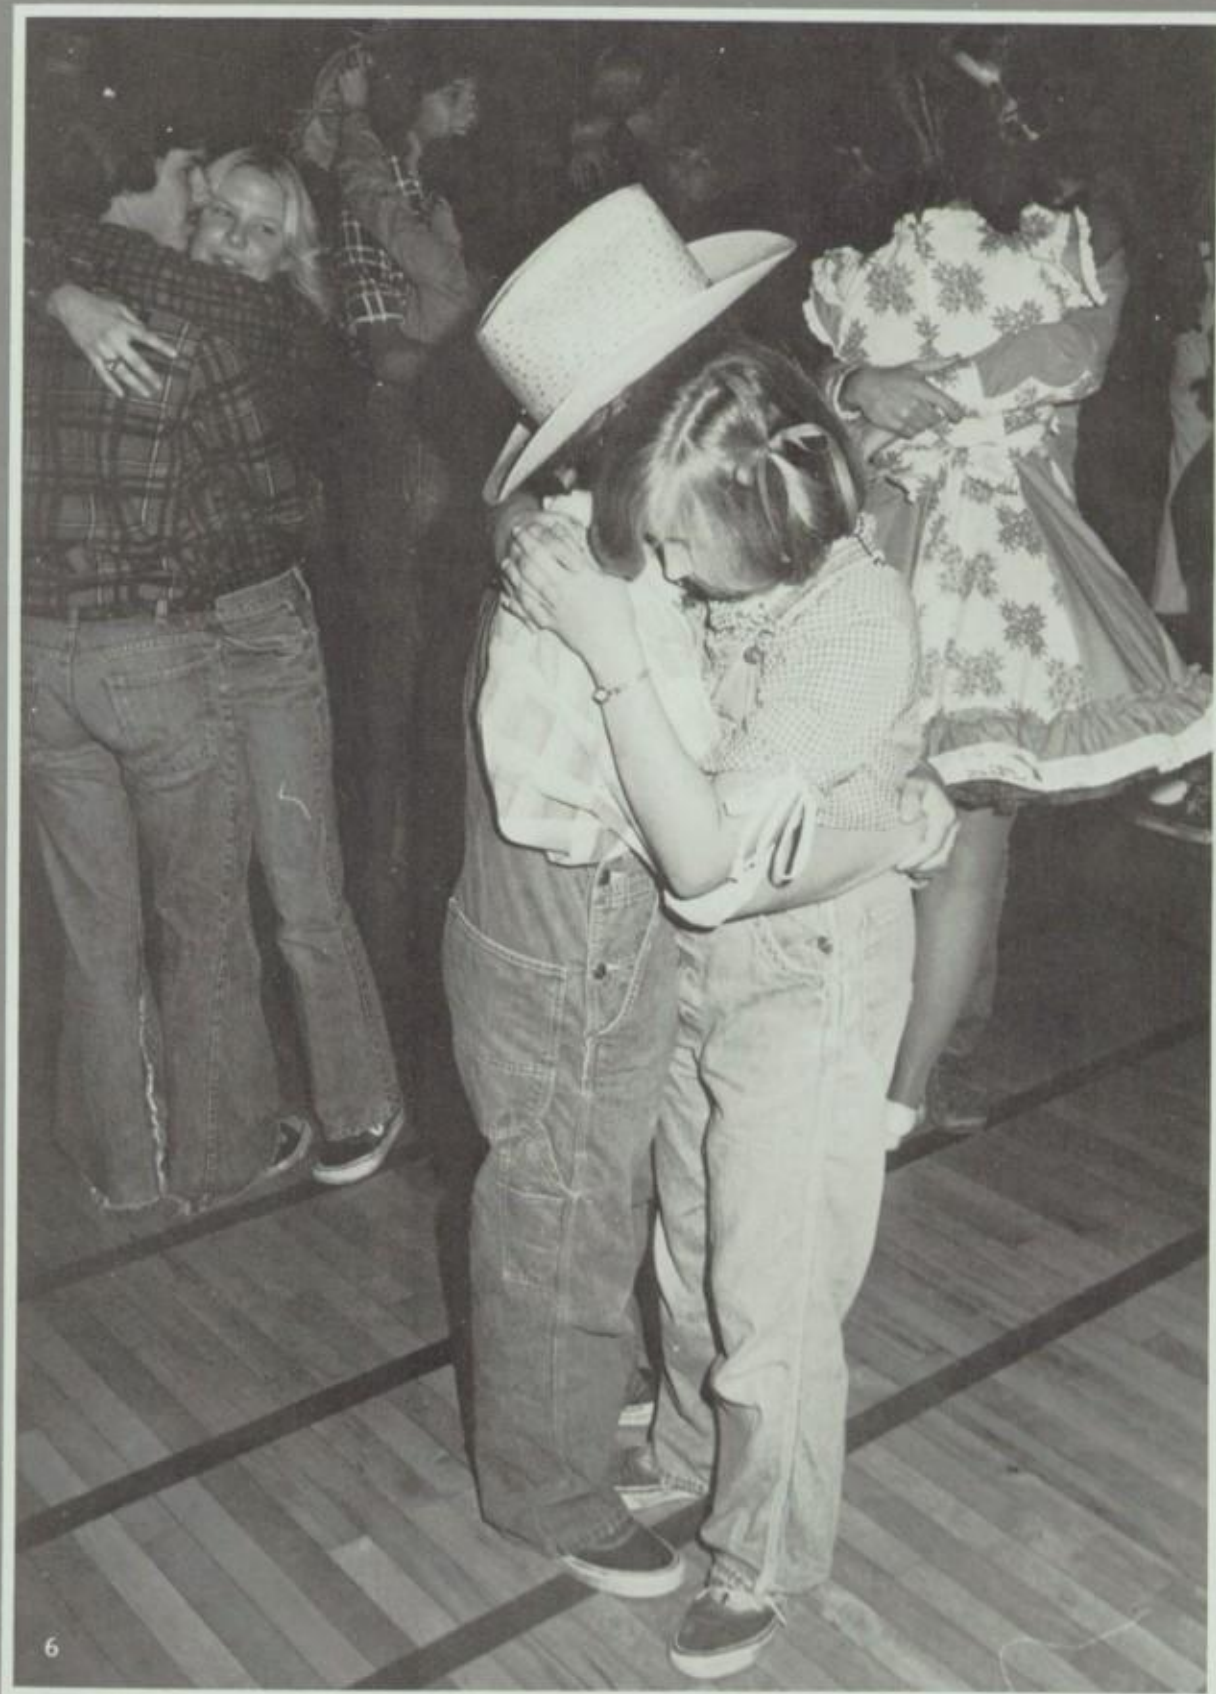

75th Annual Sadie Hawkins Dance

"Overalls for Two" was the theme for Orange High's 75th annual Sadie Hawkins Dance. On Saturday, Dec. 18, many excited girls and their dates were rockin' and rollin' to the sounds of "Wave". In addition to the dancing, the evening included the "Hitching Post" with Rev. Tarabilda, refreshments, and the overall fun of dressing up.

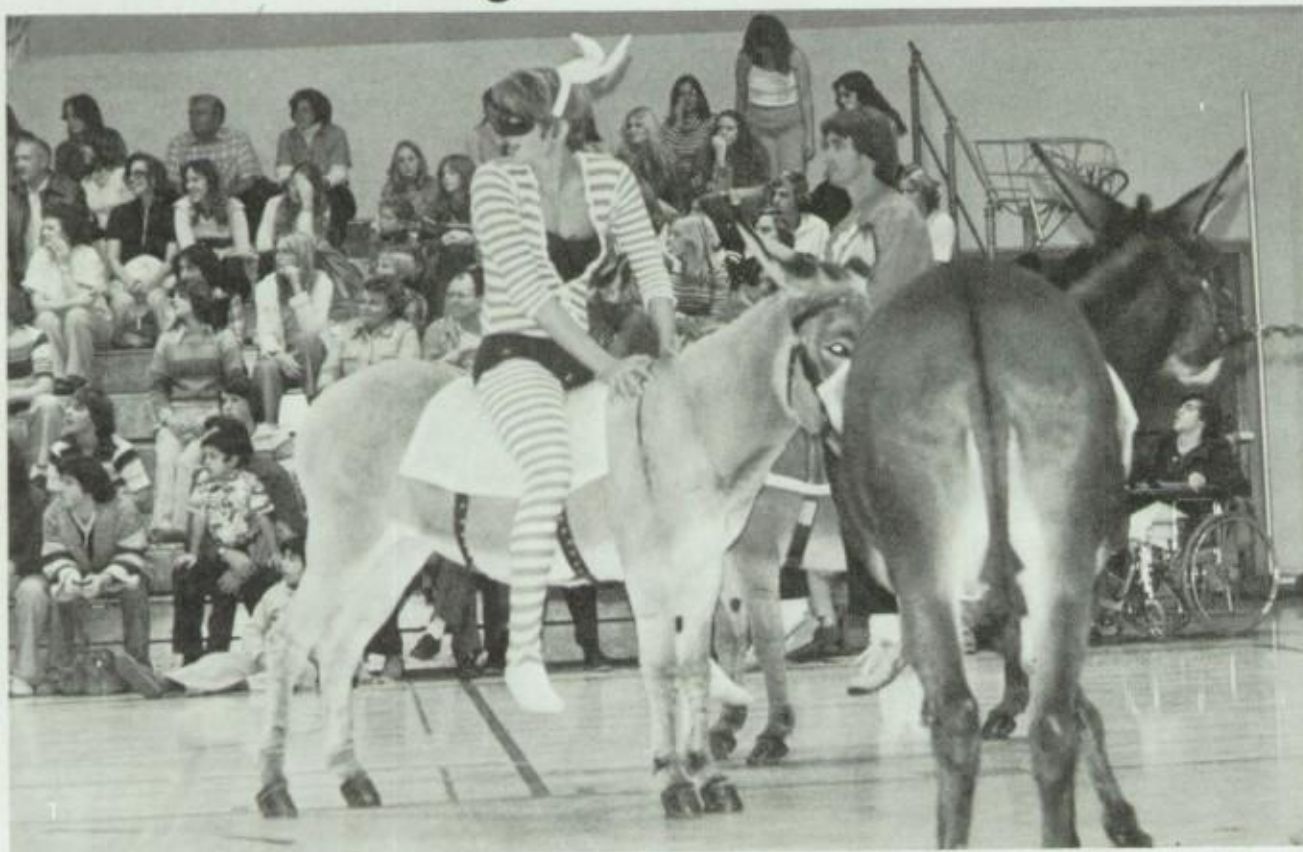

1. David Adams and Renee Lee dance to the sound of "Wave".
2. Sophomores really get kickin'!
3. Stephanie and Ed take a serious break.
4. Tracey and Bruce bump the night away.
5. Disco Here Disco There.
6. Everybody needs a shoulder to lean on.

Faculty Wins

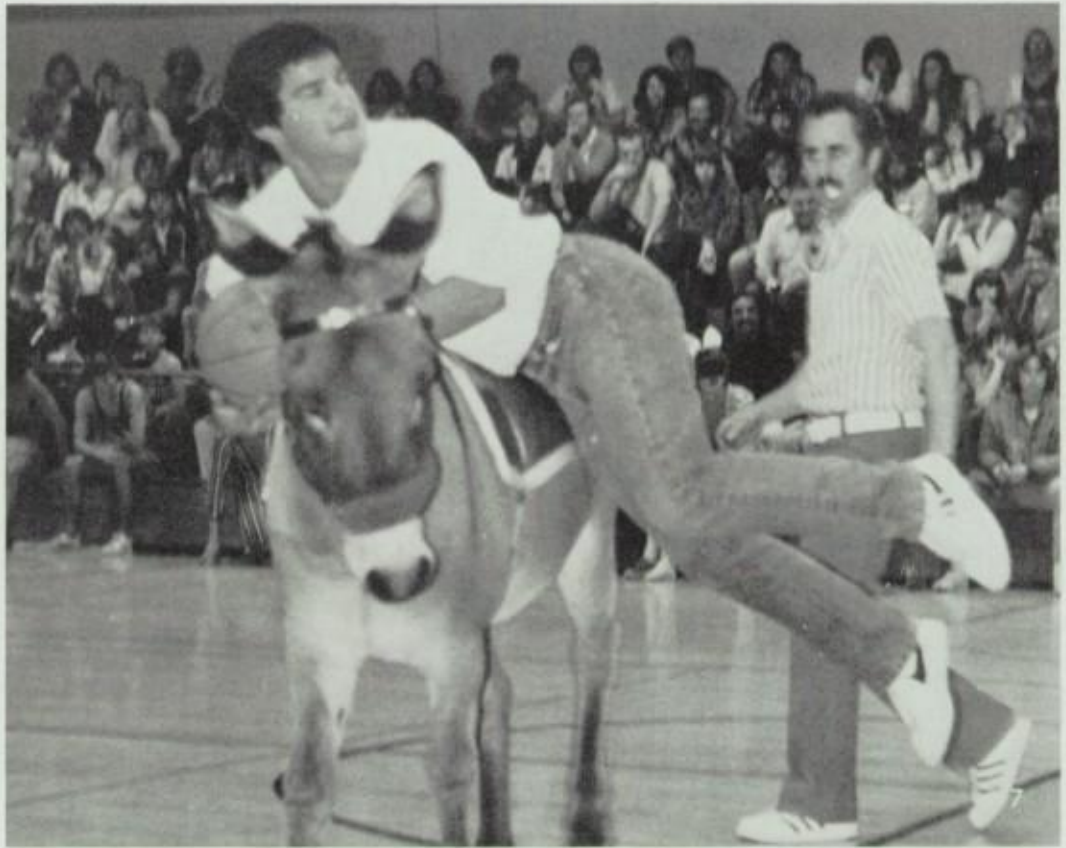

1. Phill Phillips waiting down court for the ball, ready for action; while his Donkey stands there wondering when its going to be all over.
2. Lettermen dressed with all the necessities of a female cheerleader piles up and cheers the crowd on!
3. Dave Wilkenson balanced well on his Donkey makes the shoot. When Carol reaches to block the ball and falls to the floor.
4. Vince Rucereta is sweet talking his donkey before getting on, after trying everything he could think of to get on.

Lettermen in their neat looking costumes mounted their J.A.'s, ready to play. Guys dressed as female Ra Ra's added to the excitement of the game which ended with the faculty winning!

5. Bob Viviano tries hipmatizing his donkey to gain control, while Coach Scott Young dressed in a v.p. uniform (Traitor) waits patiently with his donkey giving it a rest.
6. Mike Percy steadies the ball concentrating on making a basket, while Mr. Bob Carroll looks on eagerly, waiting!
7. Alumni, Arnie Valdez: Participating in 79's Donkey Basketball game, has got the ball and is trying desperately to keep on to his Donkey.

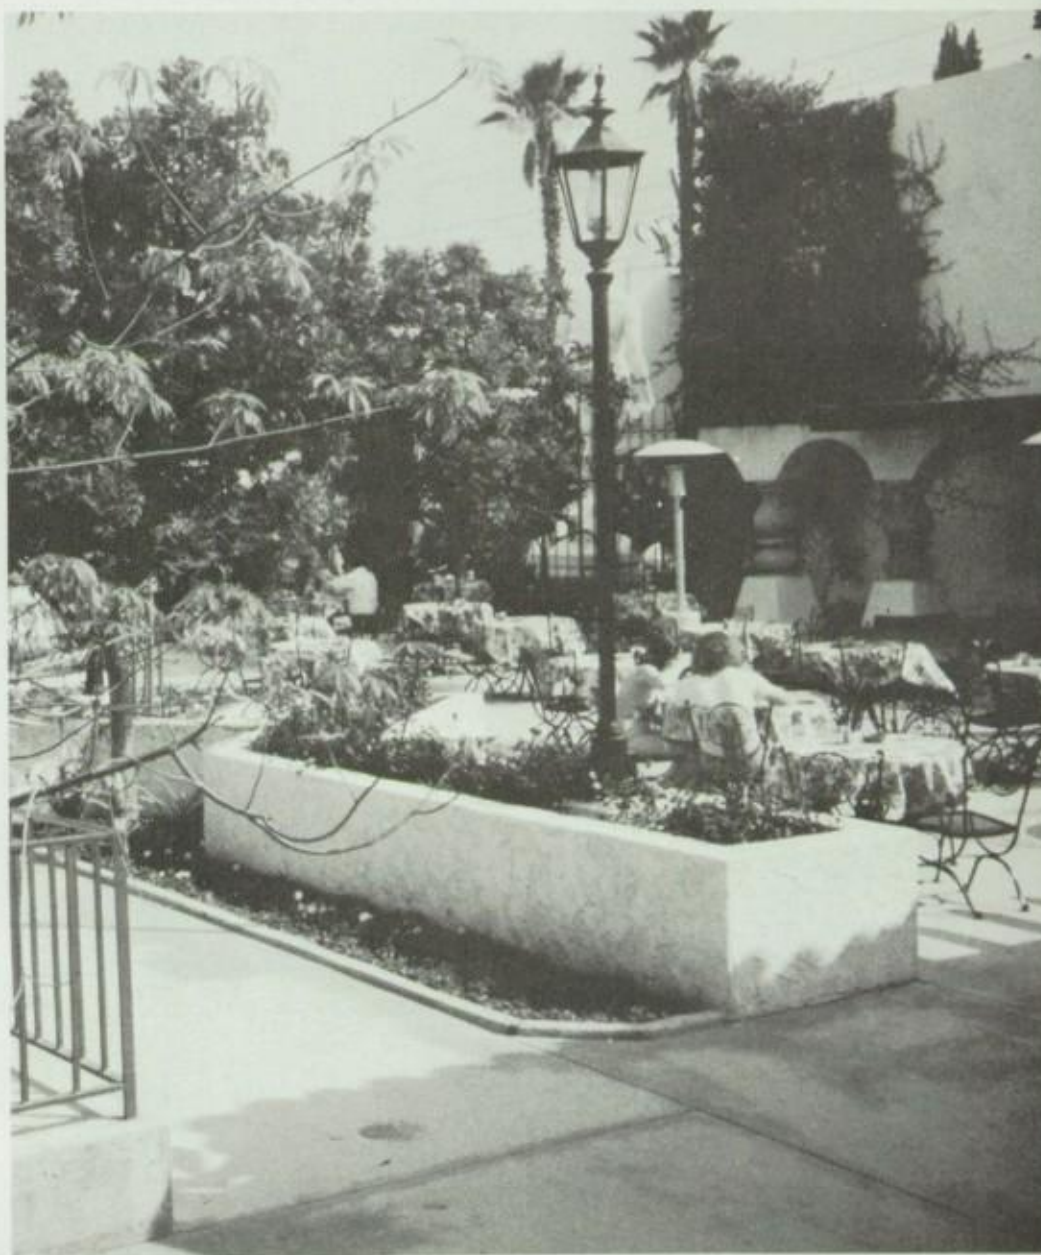

PROM

Each year, in May the junior class puts on Prom, as the major spring activity besides graduation. This year's prom was held at California Plaza, an open air patio next door to Movieland Wax Museum. As usual, the event enjoyed a large attendance and provided more memories for those seniors graduating in one month.

1. The big event this year will be held next door to Movieland Wax Museum.
2. As always, prom experiences large gatherings.
3. California Plaza, an open air patio is where prom will be.

The Dating Game Visits OHS

MATING

Among the many activities this year, Orange High is unique to have a real version of the dating game on campus. Six contestants were chosen out of forty students to go out on a hot date with a bachelor or bachelorette from El Modena High School. In the first game, Vince Rucireta, Mark Smith and Alan Taylor matched wits with a bachelorette from Elmo. The second was held with Alisa Genovese, Lorette Bayle and Linda Fyffe. The lucky winners were Vince and Alisa.

1. Tony Reichardt looks on with jealousy.
2. Vince Rucireta tears at #1's answer.
3. Linda Fyffe applauds over Alisa's profound answer.
4. Alisa Genovese before that big moment.

Girl-Date-Boy Girl-Date-Boy Girl-Date- Boy

1. Girls League president escorts Steve Carrol.
2. Vince gets crowned "King" of the dance.
3. Rock band, "Mirrors".
4. Students sway to the slow music.
5. Becky Schroeder does a little dance.
6. Jim McFadden and Eileen McDonald enjoy a slow dance.
7. John Osborne enjoys being escorted.
8. New disco steps are learned.

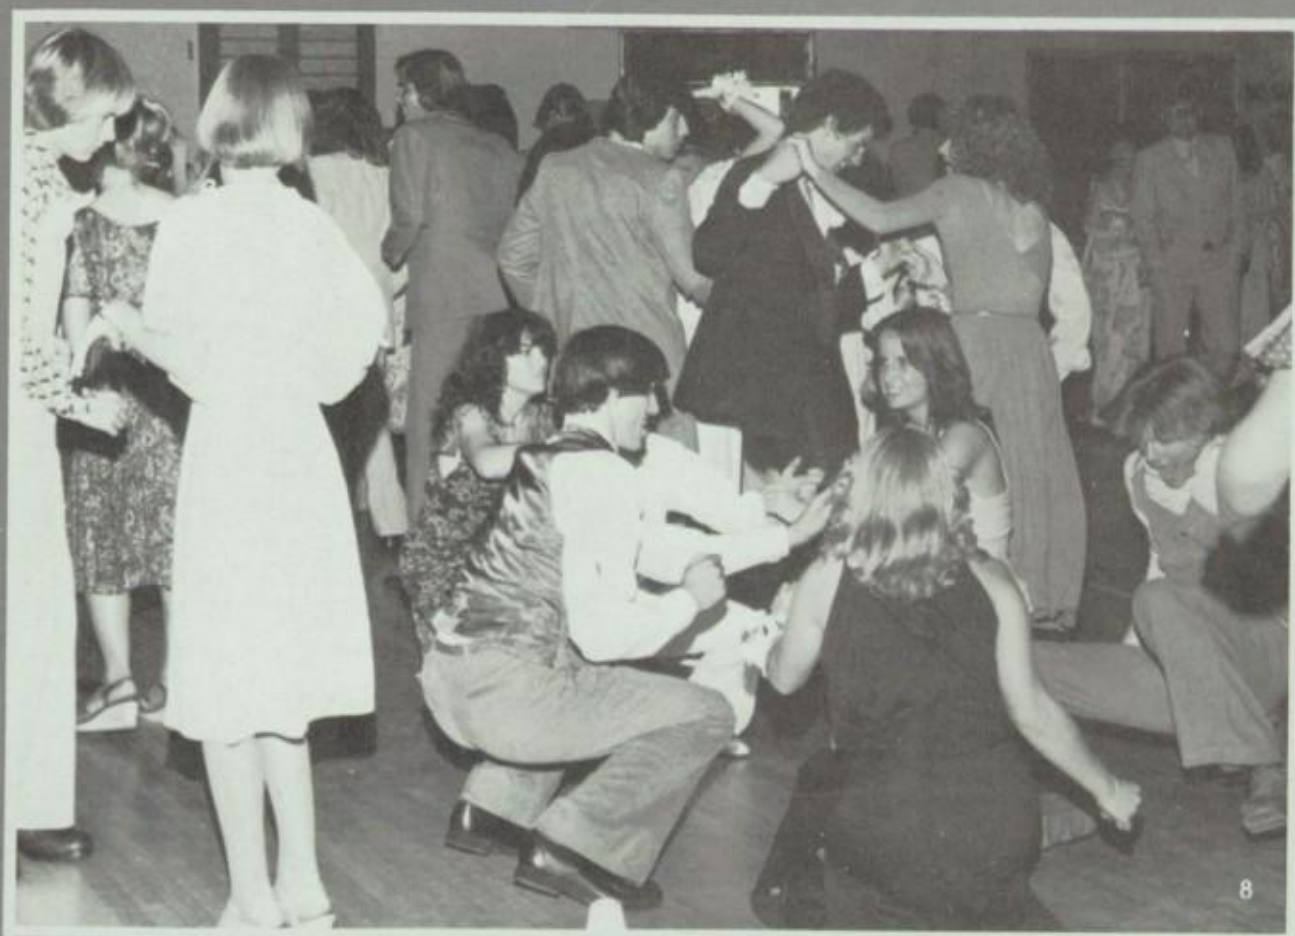

On February 17, around 360 students showed up in the gym for the Girl-date-Boy Valentines dance. The theme for the evening was "Always and Forever." Students danced to the music of "Mirrors".

At about 10 o'clock, Vince Rucireta was crowned king. The court consisted of 9 guys. They were: Greg Brown, Vince Rucireta, John Osborne, Jim McFadden, Dan Lemus, Russ Nelson, Dana Daum, and Jack Hailwood.

The dance was put on by the girls in Girls League. The dance started at 8:00 and lasted until 12:00.

ACTIVITIES PROVIDE

1. Orange High students were often offered a chance to rock rock out to the sounds of their favorite groups during lunch.
2. Class competition included volleyball games again this year.
3. The ASB Cabinet started out the year with a 75th anniversary party for the high school.
4. Sha-na-na came one day at lunch to provide some fifty songs for the student body.
5. Orange High boy contestants for the first annual dating game.
6. Ms. Thielman holds the remains of the four tier birthday cake on hand during the 75th year party.

A CHANGE OF PACE

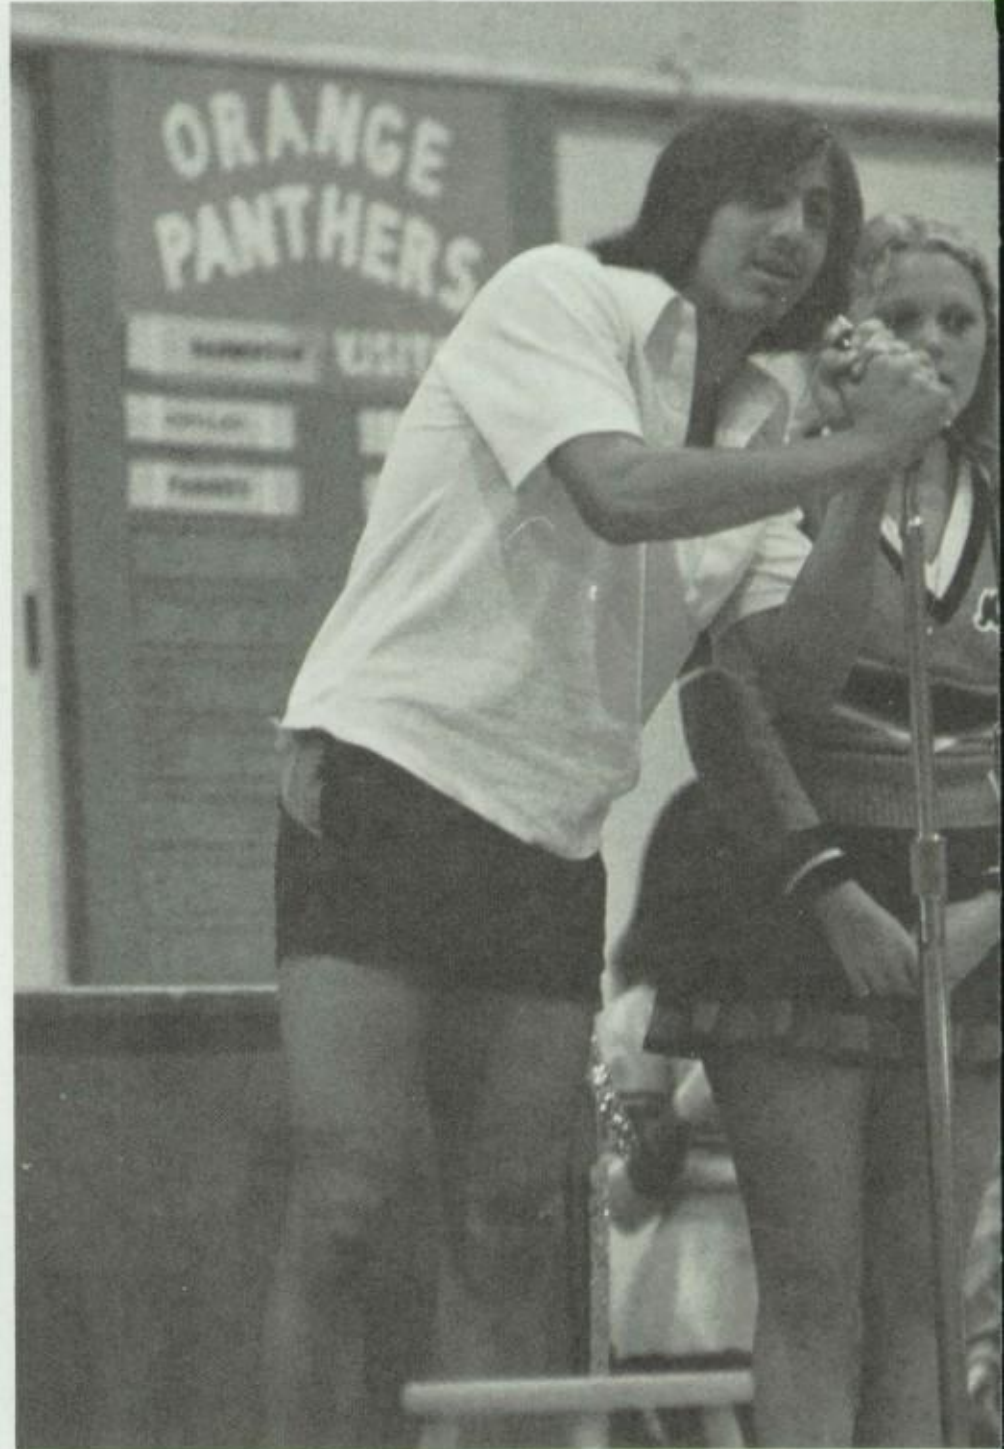

Many activities were provided for the student body this year which acted as a change of pace from the usual in and out routine. Among these were lunch concerts, volleyball games, class competitions and a 75th anniversary party for the school.

ASSEMBLIES

- 1.) Coach McMahon realizes that teaching isn't so simple after all
- 2.) Junior cheerleader Michelle Peterson has senior Steve Carrol all wrapped up.
- 3.) Junior and senior cheerleaders try to arouse enthusiasm at assemblies.

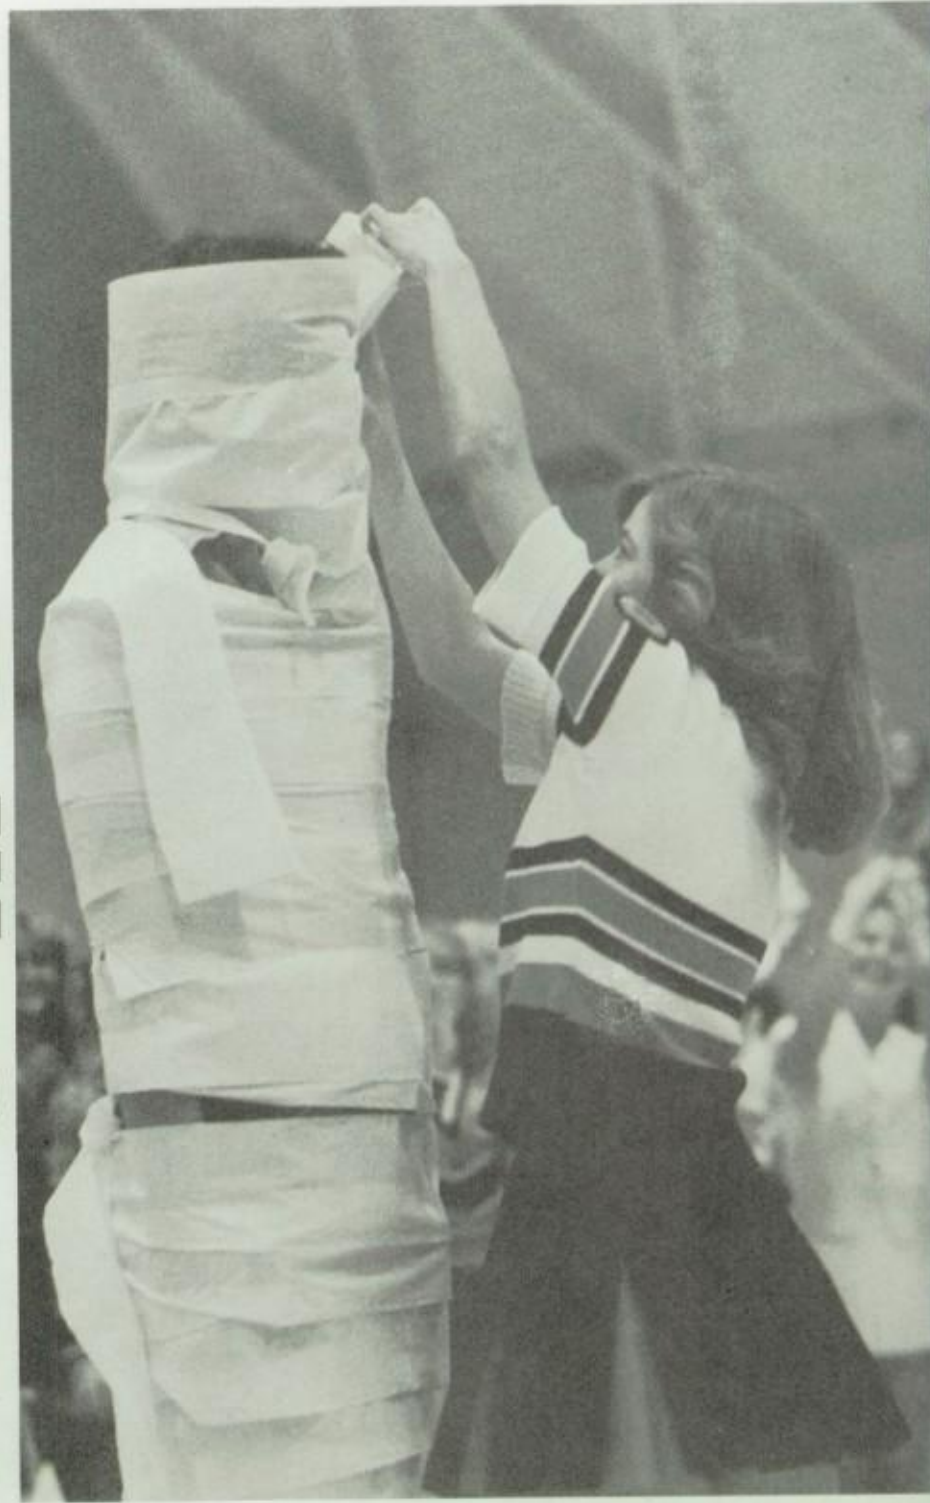

SHOW SPIRIT

- 1.) After long hours of practice, the faculty premiered their marching band.
- 2.) Ms. Thielman urges students to open up and yell.
- 3.) Varsity Basketball player Paul Ediger gets sweet revenge for all the hard practices on Coach Frank.
- 4.) Seniors Vince Ruciretta and Michelle Mummert do their part in trying to raise spirit at an assembly.

AND MORE ACTIVITIES

DADDY'S PRIDE AND JOY

Presented to all girls and their fathers was the annual "Date Dad" dance. The night of Oct. 16, brought everyone to the Santa Ana Elks Lodge for dining and dancing. There to entertain everyone was a live band that featured music that dad would enjoy. There was also a play to watch.

Debbie Conger, Debbie Henke and her father, and a few more fathers and daughters, enjoy sitting down and getting acquainted.

Shrei Leffler, Mindy Hass and father and Shelly Forbes take time out for a pose.

Senior Sheri Duchaney really swings to the music with her dance partner, her father.

Virginia Maldonado looks at the meat but has 2 plates to fill.

The girls and their fathers line up in the food line to fill both plate and stomach.

Susan Shill, a member of Girl's League, had a few announcements.

Catch A Wave

Many student activities at OHS are not restricted to just the school campus alone. Mountains, beaches or anywhere...you are bound to see at least one person you know.

Surfing, for example. As soon as the weather starts getting warmer, all one hears is "Let's go Surfing", "Catch a wave!", "Get Tubed". Many OHS students feel that surfing is a very exhilarating sport, yet very relaxing in that it helps one forget problems of the day. There is nothing like riding the perfect wave!

Ridin' It Rough

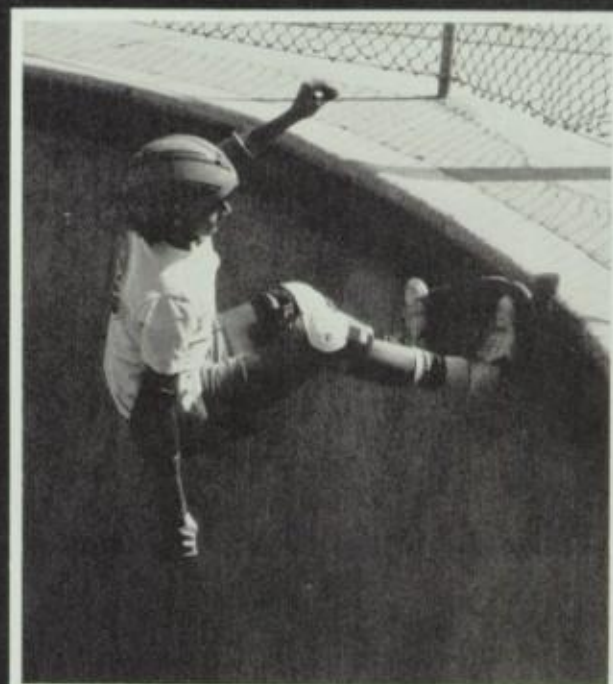

When the weekend rolls around, watch out! Pack up the bikes and head on out to either Saddleback or Escape Country. Motocross seems to be the thing to do on a Saturday or a Sunday. One can either race, or, as most students do, just get away from it all. There is nothing like having a roaring beast underneath you, totally under your control, taking all the bumps and jumps. So, ride it rough, and Do it in the Dirt!

Off The Wall

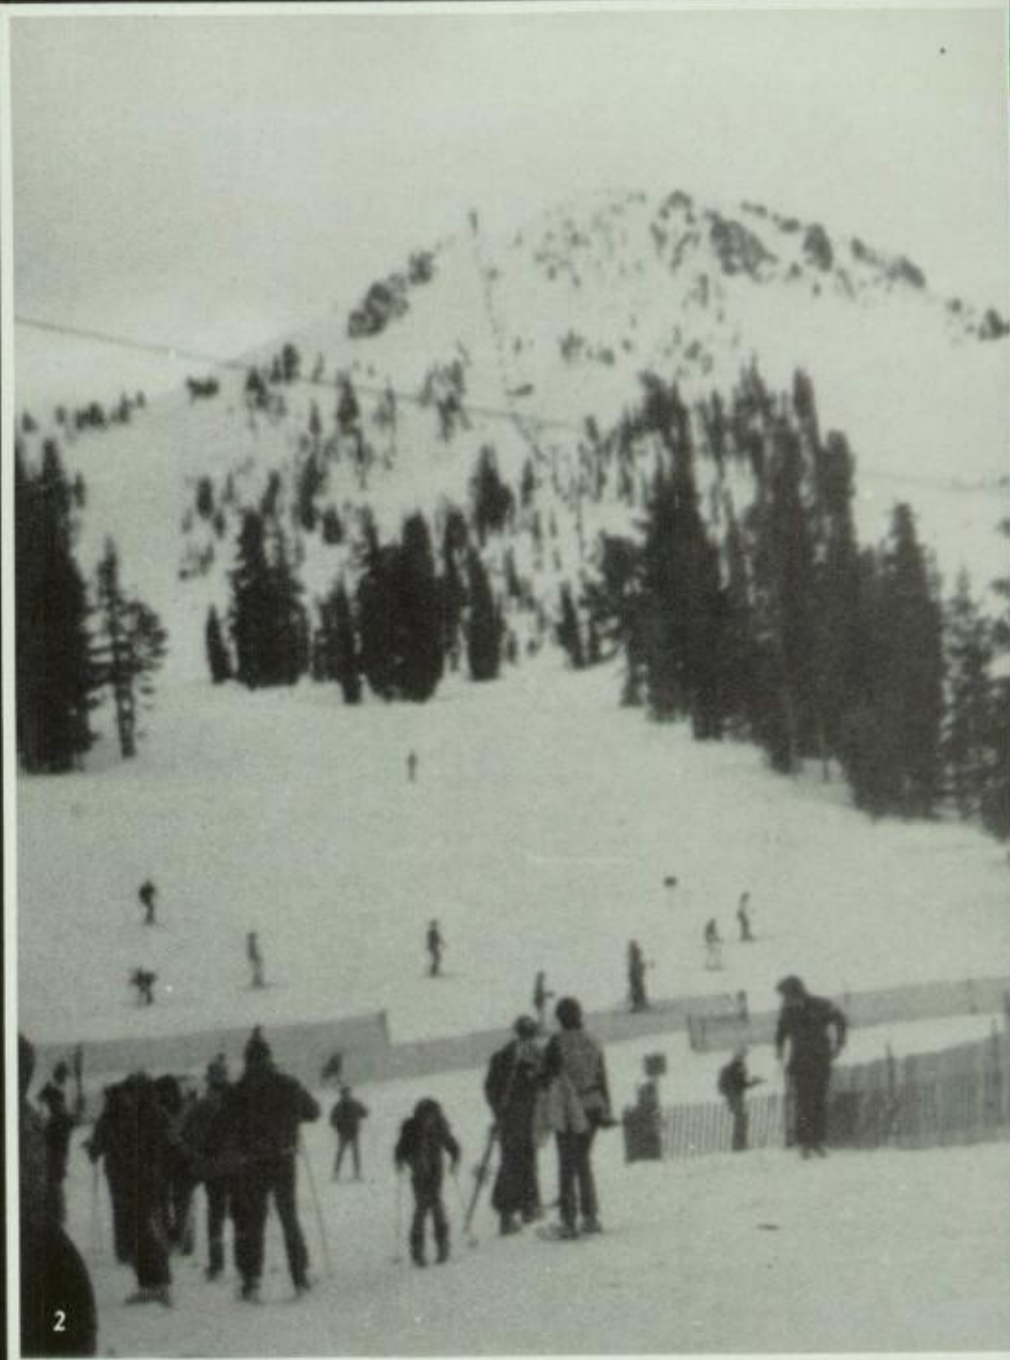

One challenging activity is skateboarding. Students from OHS find themselves there every minute they can, because they have discovered the unknown excitement in it, which other people have never tried. It makes one feel so good to have conquered the wall, the tube, or the concrete wave. If you haven't tried it, give it a shake.

1. Orange High student catches the edge.
2. Getting radical!
3. Freddie DeSota conquers the ¾.
4. Close to the edge.

Think Snow

One of the most exciting winter sports is skiing. Almost everyone from Orange has made it to the mountains. One time or another . . . , Ski Club and Campus Life have had many ski events this year. People say the snow should last through May. Go for it!

Get The Fever

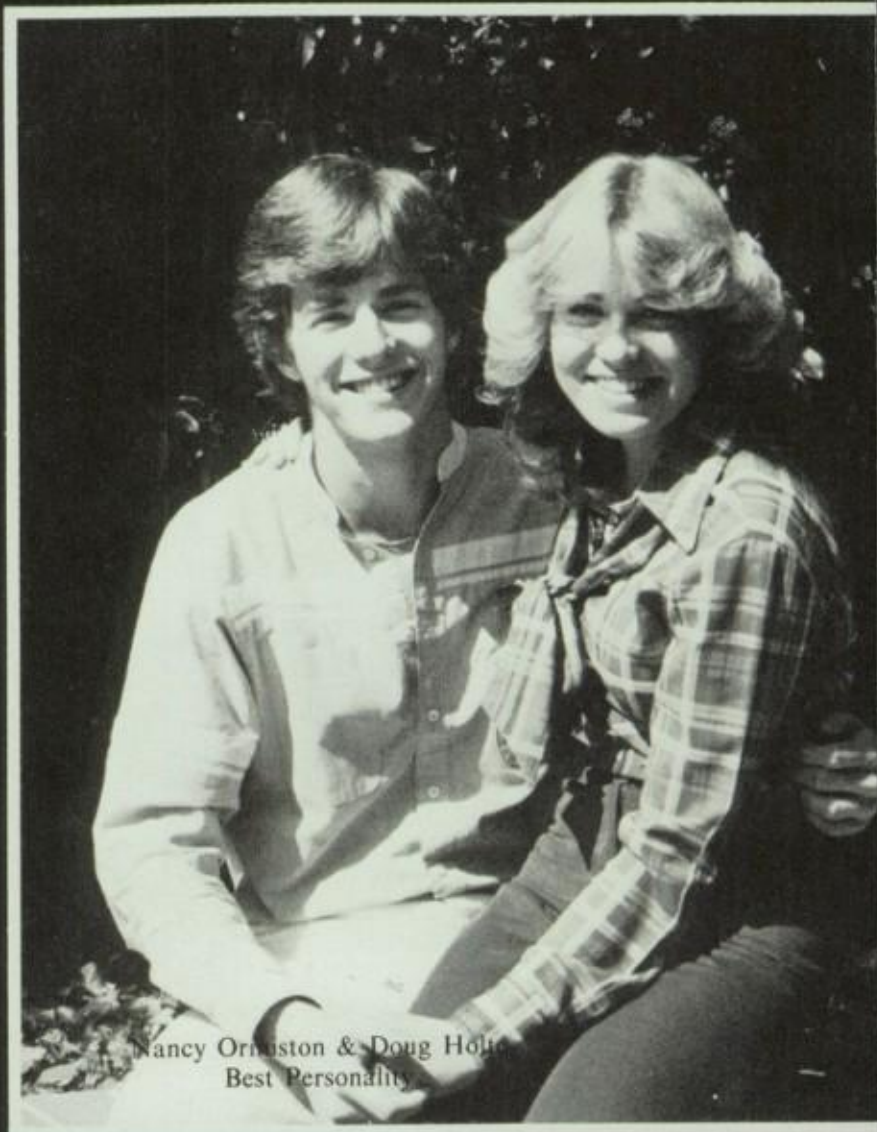

Everyone's got the fever. Disco is in. Dancing when ever possible, spending loads of money for lessons. Winning great prizes. People trying to out do each other. OHS people are found dancing the night away in their fancy suits and silky skirts. Orange High has found Disco the thing to do on Saturday Nights.

On the Orange High campus, many different types of people can be found in a number of different situations. High school is considered a time when a person undergoes much growth through a varied line of experiences. It is the mutual feeling that everyone is placed in different situations that brings all the students of Orange High together as a single, unified group.

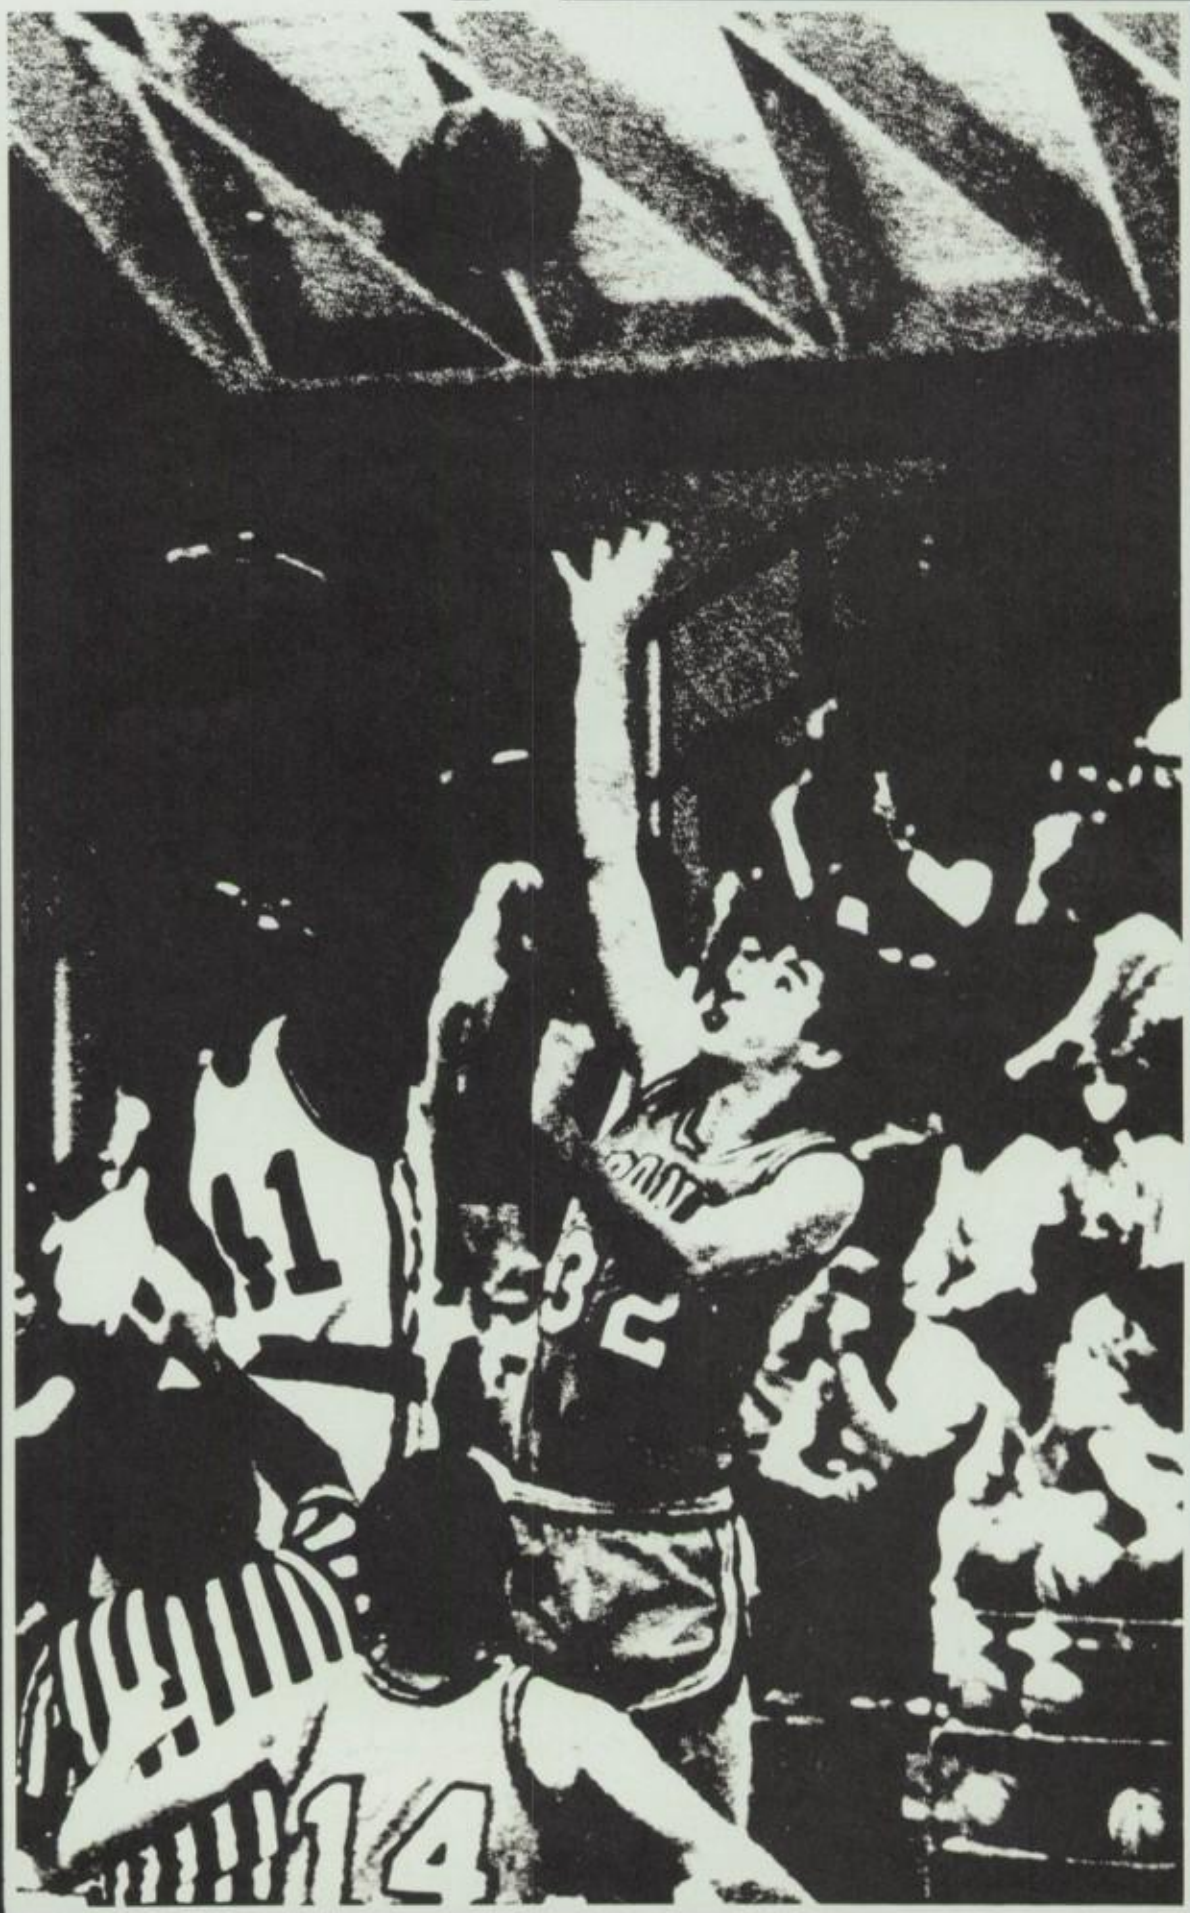

IONA
 I really don't
 know what to say
 I guess I should say
 I'm sorry that it's taken me
 this long to write in your book
 really I didn't know if I would be
 writing in your year book after I read
 what you had to write in mine. I really
 thought you were trying to tell me something
 (that we were through). But I'm glad to say it
 didn't happen but instead we grew closer together
 you know that I love you and nothing will ever change
 the way I feel & I can't tell you the way I feel when we
 were together. AND I can't tell you the way I feel when we
 you just that I do really love you. We've worked things out but
 pretty bad times together and we usually worked things out but
 now something is happening to us and it seems like we're splitting apart
 I want you to know that I'm going to try to work things out but
 if it doesn't work out at least I got one of the best friends I'll ever
 have. But I also want you to know that I still love you. I have a lot of
 good memories and I'm going to try my damnest best to work things out so they
 be more good memories. No matter what happens you'll always be in my heart and there'll
 always be a place in my heart for you.

This year's varsity experienced a bad season, although the players tried to keep up their team spirit every yard of the way. In spite of overwhelming odds and opposition, the team members continued to work, showing up for practice, ready to learn about next week's antagonists by studying their action from reports and films. Although the group made a poor showing, many players, such as Dave Darsow and Robert Neil had noticeable individual successes.

Junior players feel that next year their team will be much better and much bigger with the input of members coming up from the sophmores. Sophmore look promising and should give the 79-80 varsity squad some much needed strength and talent. The coaches also feel that with some changes in strategy and analysis of the opposition, next year's season will show a really improved Varsity team.

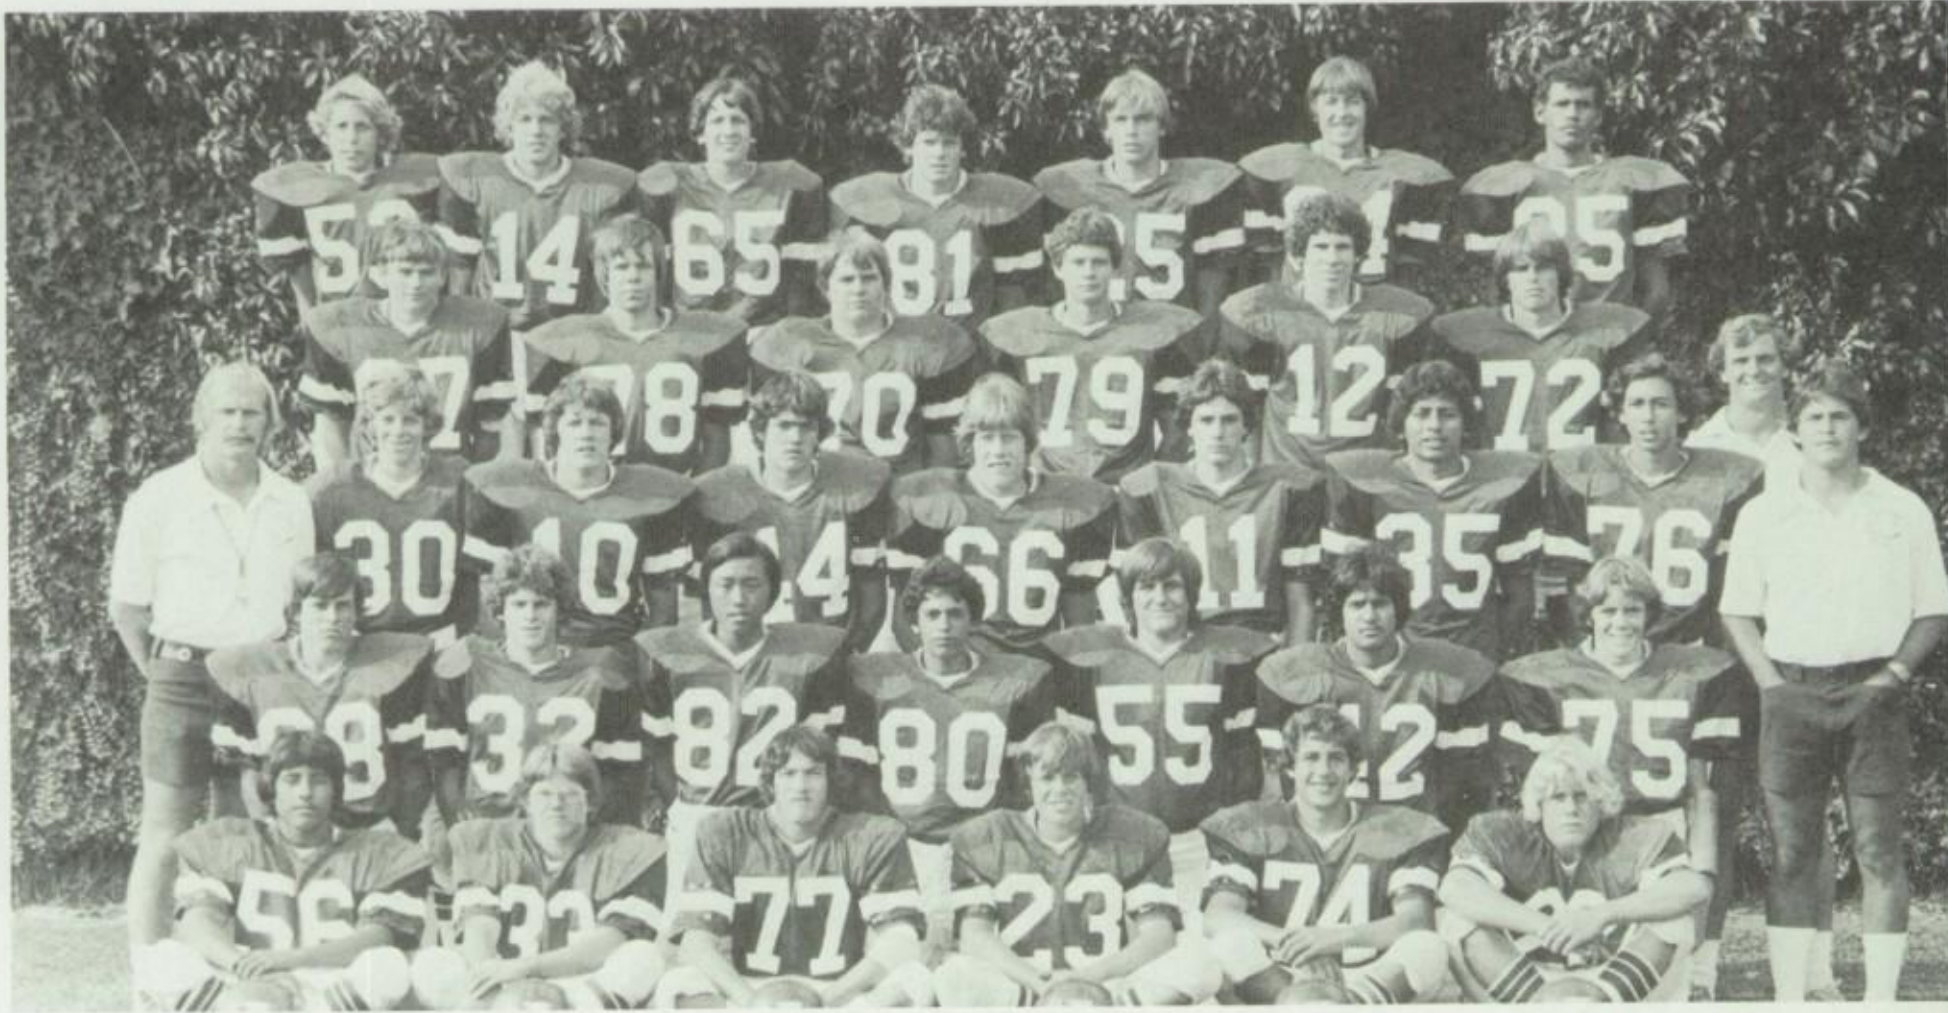

1. #72 Dave Darrow makes unassisted tackle.
2. #87 Spencer Hampton awaits his turn on the field.
3. #12 Kirk Dunham steps up and fires under pressure.
4. Coach Nation sends in defensive strategy.
5. #25 Tony Do and #13 Bob Viviano attempt the option, but fail.

The Sophomore football team started off strong early in the season, but never seemed to show any signs of improvement. The glips had the potential to go all the way, but never seemed to work upon their successful beginning. While the other teams went on to learn more complicated plays, the sophomores lagged behind. The sophomores are looking forward to adding to next year's Varsity squad.

1. Coaches Valdez, Skarin, and Walker anticipate a fourth and one situation.
2. Center Jim Edwards snaps the ball to quarterback Tony Faris.
3. Quarterback Joey Hamlin looks to the sideline for coaches assistance.

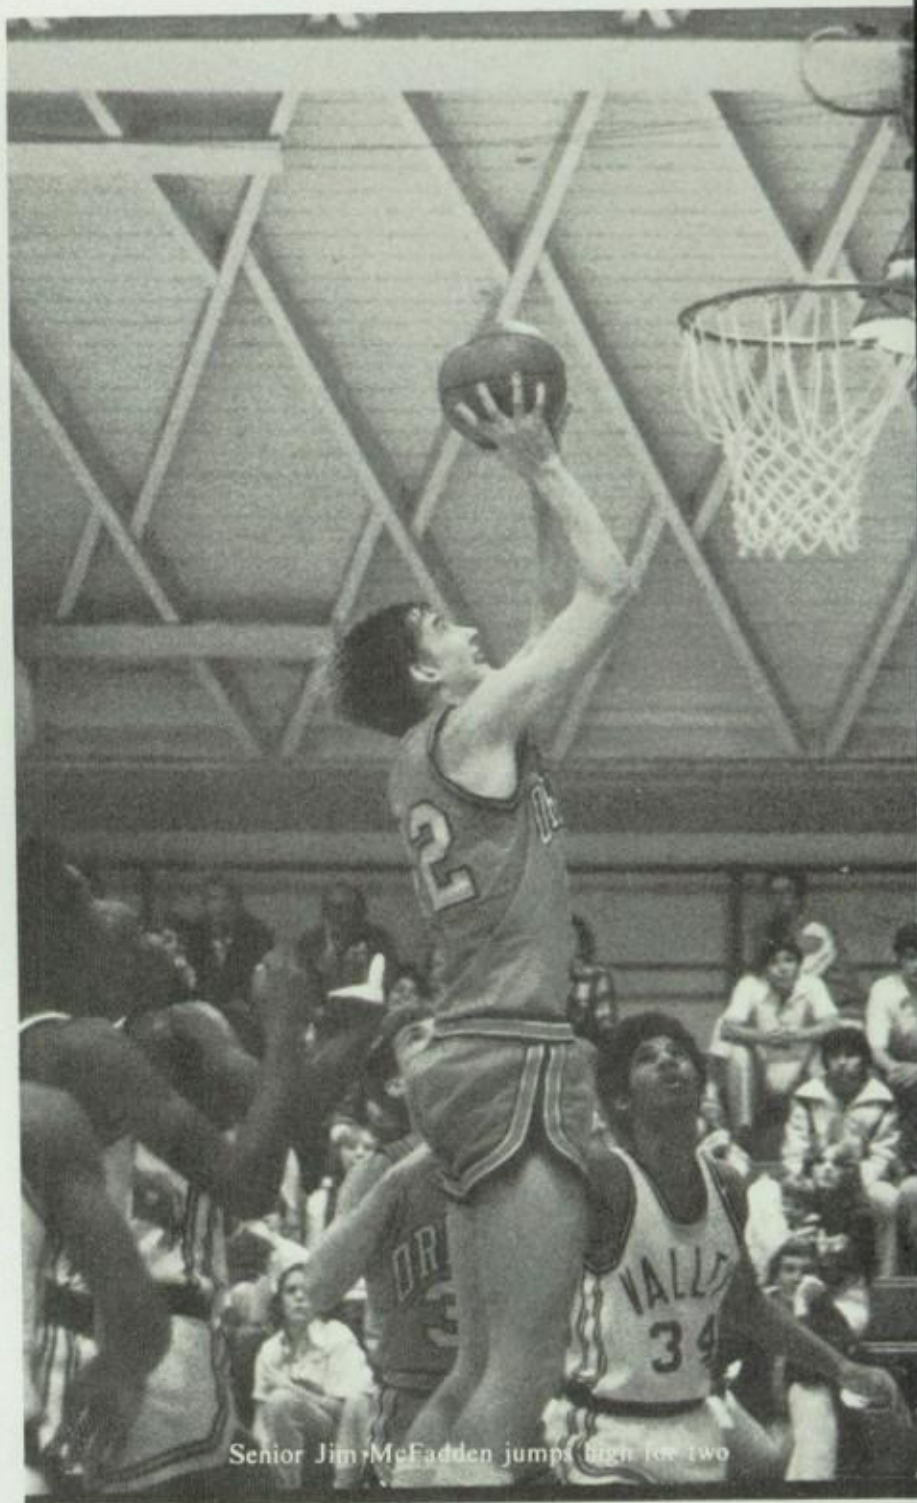

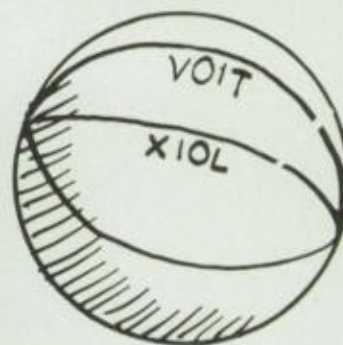

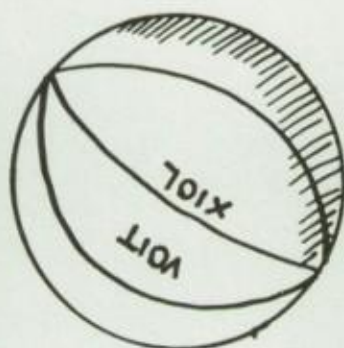

"Hustlin Panthers"

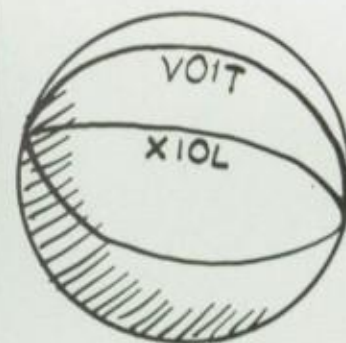

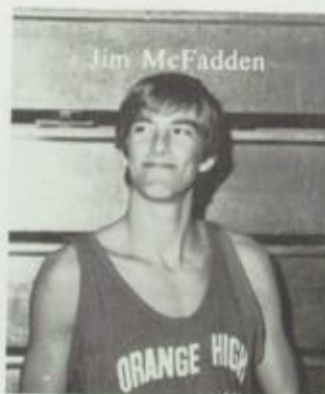

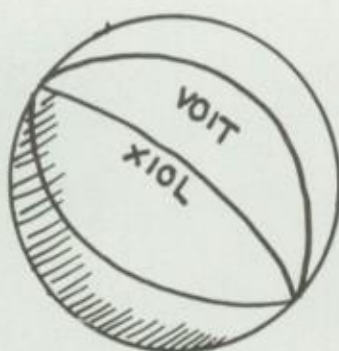

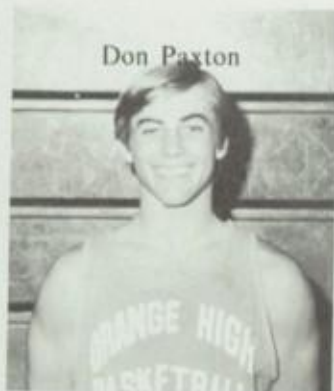

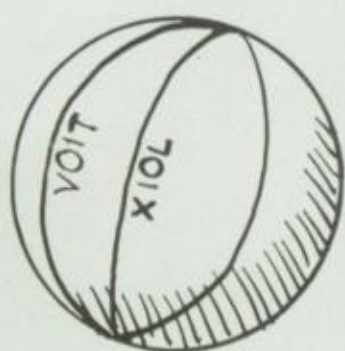

The stragity and future planning of varsity basketball coach, Coach Frank, showed to be of good judgement this year as the Hustlin Panters had a 10-4 record and ended up the season as Co-League Champions. The team practiced many hours in the spring of 78 and all summer long preparing for the tough task ahead. They met the challenge lead and won. The varsity squad received many honors this season along with the Co-League Championship. Seniors: Tim Denior and Jim McFadden recieved Century League All-League and coaches First Team Honors. Seniors: Don Paxton and John Osborne were chosen as Coaches Honorable Mention. The words did not end here as Coach Frank was chosen as Century League Coach of the Year. Along with the Co-League Championship goes the privilege of going to CIF. Although the stay was short in the play-offs, the team had a great game with Barstow only to lose 61-63. The basketball team will lose all but two varsity players next year, but with the experience of the two returning Juniors and the hopeful of the Junior Varsity Team Orange High may have another winning Season

J.V.'s Top 1977-1978 Record

This years Junior Varsity basketball team had a good season this year because of massive team spirit and a very good knowledge of basic skills. Under the leadership of Coach Tarabilda the team was marked by agression and the will to never give up in a game even when the game was destined to be lost.

Those who saw the Junior Varsity games saw that the team attitude was as high as any other team they played and the will to win was higher in most of those games, thus the J.V. team had a very good season and we are looking for a repeat of this years Varsity team. Many names to remember for next years team are Raymond Alvarado, Greg Boettcher, Todd Muezzulo, and John "Flame" Hennesey.

This year's Varsity Sophomore team had a very tough season, winning only three of their league games, but did prove to be good competition. This team has very good potential and the coaches are looking for a better J.V. season next year.

This year's team had as much spirit and enthusiasm as any other team in the league, but the team was not as experienced and had many injuries, so the was not as successful as it could have been.

Soph J.V.'s 50/50

The Sophomore Junior Varsity team had a good season this year with the talent they had to work with and the fact that one of the best players was out most of the season with a broken wrist. They proved to be good competition for many teams they played this year but not good enough to beat the teams in a league like ours.

Most Valuable players this year were center Steve Barke, who scored many underneath the basket this year, Kevin Walker and Pat Conway were also very important for the teams fate.

Water Polo Builds Character

This year's water polo season never really ended from last year, as the Aquatic teams practice all year round. The team worked out every day during the summer. This practice was like Football's "Hell Week" but was more like "Hell Summer". All this practice was not a complete waste, as the team had its best season in years. This year the varsity won five games as compared to no wins last year and only two wins in 1976.

Most valuable players for varsity were Jon Duarte, who made Second Team All-League, Matt Imfeld, Third Team and Team Captain, Leonard Willingham made honorable mention, and Ron Reese. Most valuable sophomores were Mike Seltzer, Mark Bradshaw, Team Captain and Glen Stafford.

Cross Country

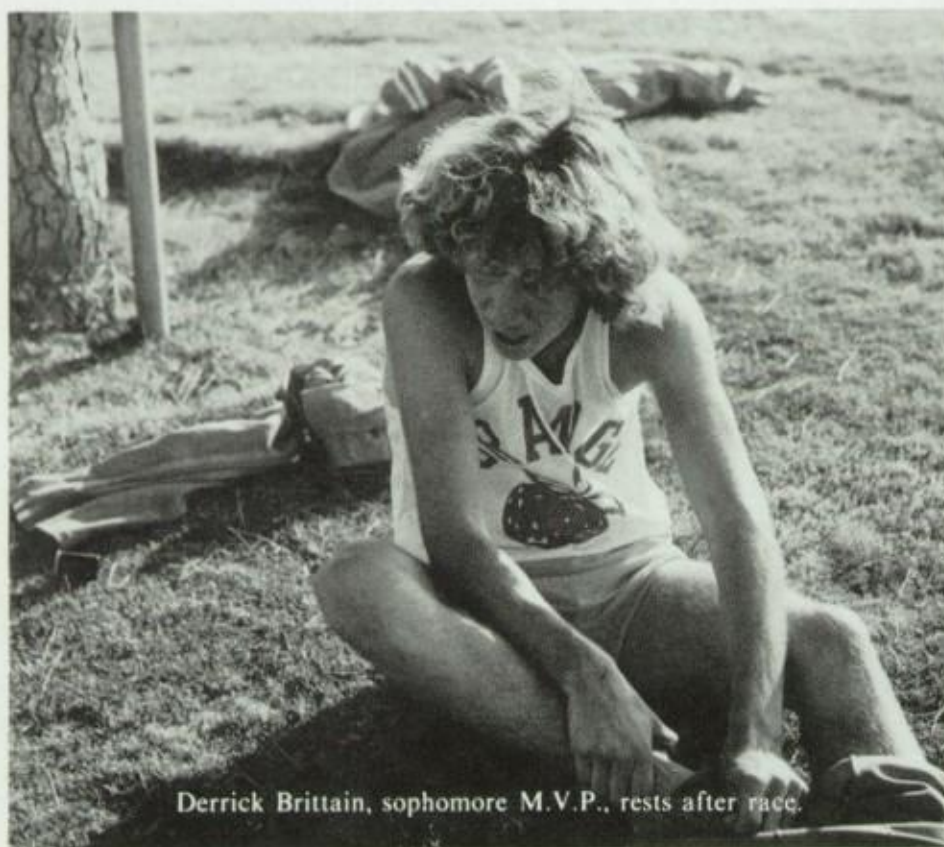

Cross Country had a good season this year, even though the team won only two meets. Coach Sallings said the team had many ups and downs but got it all together for Santa Ana and Santa Ana Valley. One reason for the disappointing season was a lack of experience, as the team was made up of many underclassmen because of the poor turn out of seniors. The only Seniors running this year were Mark Nailon, Kirk Blalock, Greg Page, and Mike Noren.

Most Valuable Runners this year are Mike Sanderfer, a junior and team captain. Al Arzaga and Derrick Brittain were a toss up for the numbertwo position. We should look forward to a good season next year because of these three runners.

Two Wrestlers Go To C.I.F.

Although the Orange High wrestling team did not have an impressive record this year, a number of wrestlers had very good seasons. Both Vince Rucireta and Dan Smith won first place in the Century league allowing them to enter into the C.I.F. competition.

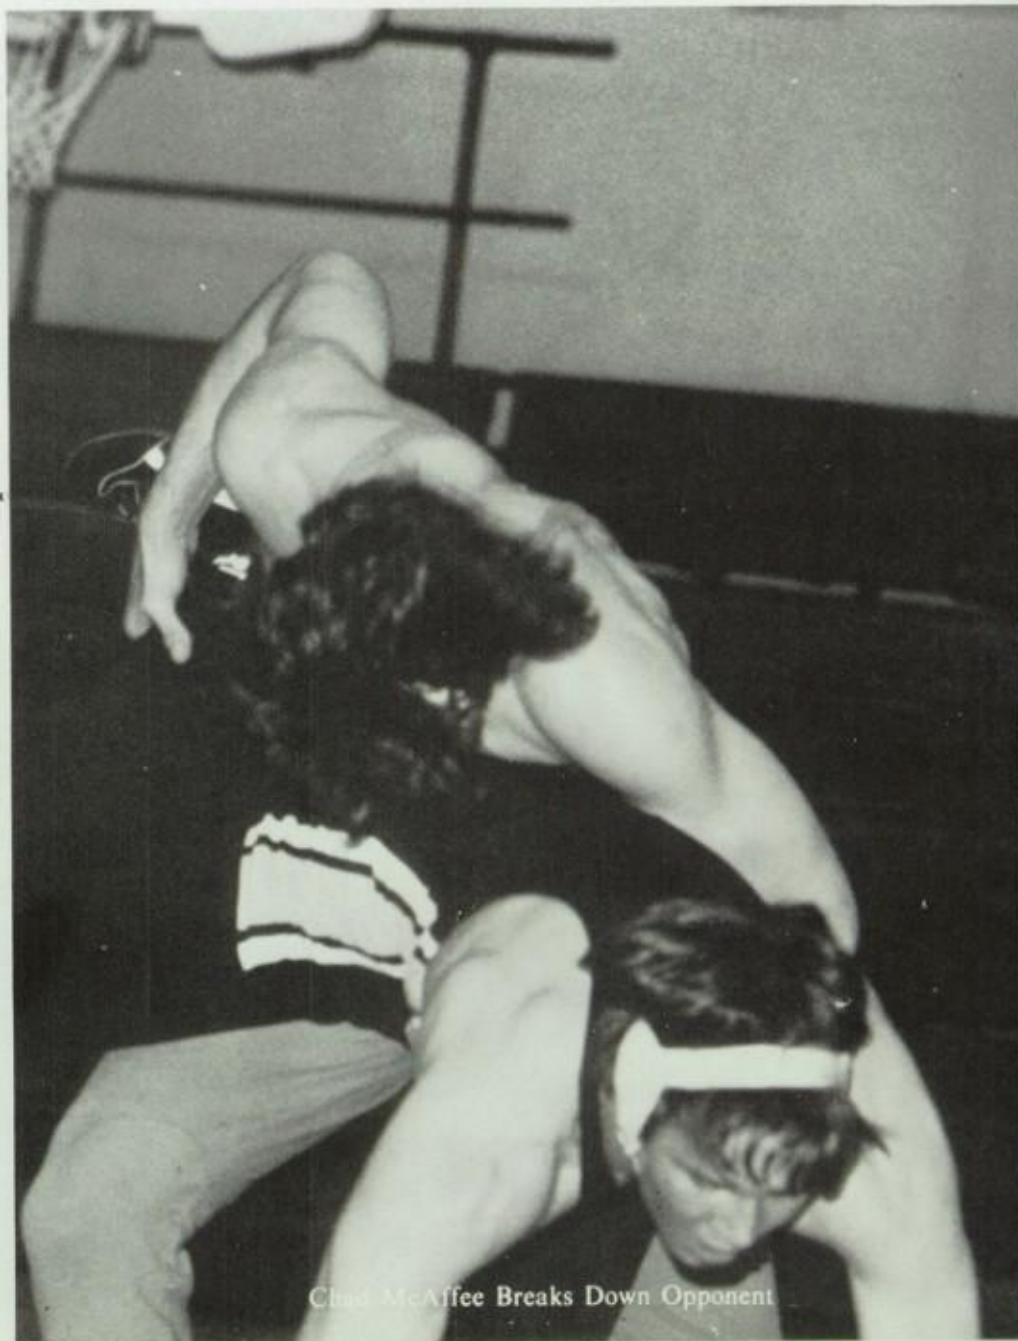

Vince Rucireta had the best record on the team this year. He won 25 of his 28 matches and in C.I.F., won the Southern Sub Section. Dan Smith won fourth place in the Southern Sub Section of C.I.F.

These two wrestlers along with the other members of the team worked many long hard hours perfecting their skills. Each individual had to be quick, strong, and stay within their assigned weight class, which often meant not eating for a day before a match.

With such continued conditioning during the off season Orange High's hopes are up for a successful season next year. Since the team will only lose two seniors this year, Vince Rucireta and Alan Wahl, everyone is looking forward to strong performances from the experienced sophomores and juniors in 1980.

First Year Soccer

This was the first year of Varsity Soccer at Orange High, and it proved to be a very successful one. With tri-captains Ali Kazemini, Rondo Harding, and Alfredo Ramirez leading the way, Coach Juan Garcia's Panthers won 13 games, tied 3 and lost only 3. The team ended the regular season in second place in the Century league and qualified for C.I.F. post-season play. Several players were chosen All Century league. First team included Ali Kazemini, Rondo Harding, and Alfredo Ramirez. Steve Carroll and Bob Oliver made the second team, while Alfonso Arzaga and Khoa Tran made Honorable Mention. In addition, Ali Kazemini was nominated for All-C.I.F. Honors, and Steve Carroll, Bob Oliver and Rondo Harding were nominated for the Orange County All Star Team.

The 1979 Orange High tennis team has been one of the most successful teams throughout its history. The depth of this year's Varsity team should continue this reputation with another strong season. In singles, the team has experience with returning Varsity Lettermen Kurt Gilbertson and Terry Mosley and backup power coming from the most consistent player, Ali Kazemini, and junior Kevein Segawa. The doubles teams are also strong with returning Varsity Lettermen Jack Hailwood pairing with the most valuable JV player last year, Dana Daum, and the team of Mark Gertz and Steve Carroll who were number one JV doubles last year.

After a 6 and 0 preseason record, the Varsity tennis team should provide tough competition for the other Century League schools.

Sophomore Tennis

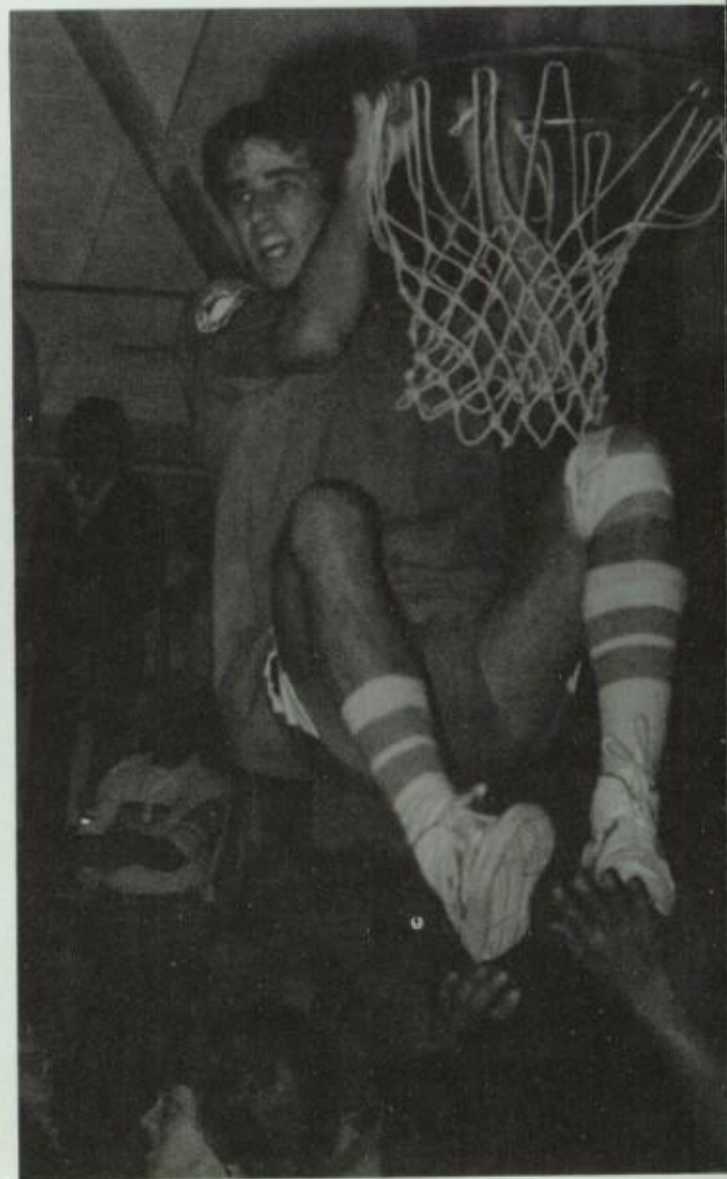

During preseason play, the JV team has been undefeated like the Varsity team. With hard hitting Gary Yoshino and Kevin Moffat, Coach Zirkle plans to build up the doubles and singles players for another strong future Varsity team.

The sophomores have always been the building blocks for Orange High tennis and this year should be no different. A number of sophomores have already moved up into JV play including Carey Rancy in singles and the doubles team of David Dendy and Dan Kirwan.

A Tribute To Orange High's C.I.F. Competitors

Enough cannot be said for the teams that made it to CIF this year from Orange High. The basketball team's performance created a new sense of spirit around the campus as they put away their opponents one by one in the filled Orange Dome. The soccer team also showed much poise as they moved their way into CIF even though basketball got most of the student body's attention. Finally, the performances of Vince Rucireta and Dan Smith added icing to Orange High's 75th birthday cake. The competition which these two wrestlers faced can hardly be explained. However, the two Panthers struggled through an underrated Century League into CIF. All these members helped re-establish Orange High's pride in a previously slumping athletic program.

The Orange High swimming team had an extremely tough season this year because of the poor turn out of last years returning swimmers. The total number of swimmers this season was eleven, with only one Senior, Bob Reinke, and three Juniors. Coach Riehl said, "... we had a good season for individuals more than the usual team efforts".

The team was centered around junior Leonard Willingham, senior Bob Reinke and diver Bill Crutchfield. Both Varsity and Sophomore teams ended the year with two wins, and most of the swimmers highlighted their season with a great performance at Lague Finals. Leonard Willingham set a new school record, taking third place at League Finals, in the 100 yard breaststroke in the time of 1:07:35.

TRACK

The motto of the 1978-79 Panther track team was "BE A WINNER". This slogan stuck with the Panthers all season long. It was very difficult for the young Panthers to place in the top three in the Century League, because of the small number of team members. But the Panthers were close in all their meets. Some of the outstanding individuals were Mike Noren, in the 440; Brad Seidschlag, in the High Jump; Mrk Nailon, in the Hurdles; Dwayne Morrison, in the Jumps, and Mike Sanderfer in the Distance competition. In the weight events, outstanding individuals were George Meyers and Jesse Marquez. Two of the outstanding Sophomores were Joe Kelly in the field events, and Derrick Brittain in the distances.

Many times after school or during the weekend, the Varsity baseball players are found out on the diamond hitting the baseball around. These extra hours should enable the team to meet the competition they are faced with this year from such Century League schools as El Modena and Santa Ana.

Some strong sports on the Varsity team this year are the power of Mark Mailon, the consistency at the plate from Bill Simsic and Bob Viviano, and the pitching of Randy Adams and Soph. Ivan Camacho. With the basic goal of playing good sound mental baseball, the team should do well in 1979.

Field Hockey Sticks With It!!!

Even though the Varsity and J.V. Field Hockey Team did not acquire a winning season, OHS played hard and tough. The Team had many compliments on the way they played. Several coaches commented that OHS Hockey Players were aggressive and had great ability to drive with strength, and controlled the ball with much speed. This years sophomores made a great asset to the Teams. Thanks to the sophomore goalies, Diane Clark and Lorine DeVaul, each team held the score low. The Juniors and Seniors with their returning experience, gave the sophomores the help and support for a better season at OHS next year.

Many Juniors such as Kim Merry, Kim Wright, Dawn Rummel, Mary Isaacs, Kathy Ressler, and Jill Drury, supplied the team with ability along with the Sophomores, Diane Clark, Linda Bossenmeyer, Rosie Morrow, Stacey Pavlovich, and Laurie Sokol. Panther Power

Panther Power is one of the most active groups on Campus. Not only are they the heart of the cheering section at all football and basketball games, but they also decorate the player's lockers, and make posters and banners to announce athletic events throughout the year. Best of all, they add color to the Campus scene when wearing their symbolic Orange and White uniforms on the game days.

Orange Peelers

The newest club of the 1978-79 school year were the Orange Peelers. This spirit group was originated under the supervision of Ms. Thielman who started the club with the idea of increasing school spirit at Orange sports events. Although the club enjoyed a large membership from the very beninning, approximately 120 attending each meeting, the group never got together at the games. However the potential will be present along with experience next year, when the Pellars should be strong at the games as well as at school.

Ski Club

Ski Club is one of the most popular groups on Campus because it brings the student body closer together during the winter months as well as furnishing an extracurricular activity.

Senior Steering Committee

President: Doug Holte, V. President: Margie Leffler, Secretary: Laura Kaufman, Treasurer: Elly Kreutzberger.

The most consistent clubs at Orange High are the Sophomore, Junior, and Senior Steering Committees. Each year a student has the chance to become involved with the activities of his class through these three clubs. Under the leadership of Miss Thielman, each one of these groups undertook different events this year. The sophomore Steering Committee started off strong holding such money raisers as carwashes, t-shirt sales, and key ring holders. Hopefully, the spirit showed by the Sophomores will carry on during their stay at Orange. The Junior Steering Committee's main responsibility of course was to organize prom and plan how not to lose money on this costly event. Finally, the Senior Steering Committee had used the money earned on prom last year to hold a number of activities. The Senior class sponsored the annual Senior ditch day, held a car rally, and had the outdoor theatre painted for the Senior gift.

All these clubs are worthwhile as they provide a means for the student body to become involved in activities with other members of their class.

1. It was on July 3, 1978, that I assumed the responsibilities as Principal of Orange High School.

This is an exciting experience for me. It is a thrill to become part of a school which is rich in tradition and has a respected reputation. These traditions have been developed through seventy-five years of progress and successful experiences for students in the areas of academics, agriculture, athletics, music, drama, speech, and journalism.

I know that the many graduates, the members of the community, the staff and the student body share the feeling of pride that I have for Orange High School. Let us continue to build upon our successes.

Major academic competitions at OHS include the Orange County Academic Decathlon, Bank of America Awards and Boys' and Girls' State.

Eight students from Orange High School are chosen each year to represent the school in the Academic Decathlon. The decathlon itself is made up of seven examinations covering the academic areas. Although the team did not place in the top ten this year, two participants did make notable achievements. Jack Hailwood alone scored a perfect 1,000 on the interview. Karen Brown had the highest combined score of any participant.

The Bank of America sponsors competitions in Liberal Arts, Fine Arts, Vocational Arts, or Science and Mathematics. The year, 1980, was awarded to the winner of the final event in each of the four areas.

The third major event at OHS are Girls' and Boys' State. The two students are selected to represent OHS in Sacramento where they learn the various state legislative roles.

1. ACADEMIC DECATHLON: Craig Richardson, Jack Hailwood, Carmen Zayas and Riki Bradley. ALTERNATES: Mark Higgins and Denise Payan. NOT SHOWN: Karen Brown and Cass Courtney. 2. BOY'S STATE: Doug Holte. 3. GIRL'S STATE: Becky Schroeder. 4. BANK OF AMERICA: Plaque winners- Mark Brown, Jack Hailwood, Kim Ellis; Certificate winners: Tracey Brannon, Diane Raney, Tim Johnson. Not Shown; Plaque winner: Jenny Williams. Certificate Winners: Mike Noren, Lois Riley, Susan Rommrig, Gwyn Bleier, Doug Holte, Janet Wilder, Susan Bosecke, Karen Brown, and Tom Conway.

Camelot Tea Room Opens

Many teachers and staff members have enjoyed going out for lunch once a week without leaving campus. They have been dining in the Camelot Tea Room.

Camelot is staffed by the Food Services class taught by Mrs. Lockhart. Covering the various parts of the commercial food preparation and service, this class allows the opportunity for young people to gain the experience of vocational occupations such as chefs, restaurant managers, and dieticians. Parents and other community members are invited to sample the fine foods every Friday, by reservation only.

On Tuesdays, the Camelot Tea Room features The Bake Shop serving specialty cakes, pastries, breads and pies.

Another attraction is the low prices. Entrees are served for under a dollar, while Bake Shop items are no more than 50¢. These prices are possible because the customer pays only for the cost of the food.

1. Lori McGill mixes batter while Donna Ortiz admires her cake. 2. Madeline Courtney and Susan Byrd serve apple pie, a popular dessert dish. 3. Donna Ortiz's hard work turns out to be a success. 4. Isabelle Hochard and Shelly Jackson prepare coffee for the day's customers. 5. As important as the food, Kelly Dresser and Ami DiFiesta begin setting the tables.

1. Abe Lincoln, alies Jill Slotnik gives a 1860 campaign speech.
2. Ex-President Nixon portrayed by Luke Gregory briefly comes out of seclusion.
3. Confetti flies during campaign speeches in the 1960 U.S. History election.
4. Junior Chris Brigandi takes a shot at public speaking.

Would you like to explore the mind of Charles Manson? ... or be in the middle of a presidential election? if so, then give OHS Hisa try.

The levels of History are based on the grade of the student. Sophomore or World History covers all the different parts of the world and explains the different religious concepts, and cultures. Problems of the third world is also one of the classes offered.

Junior History, better known as U.S. History is most likely to be the most imformitive class. Students sudy from the Period of the American Revolution, to the Days of Nixon about his problems with Watergate.

In Senior History three different areas are introduced. American Democracy, Compraaive Polical Systems and Social Psychology. These classes discuss U.S. Governments, Comparisions in World Governments and Personality traits respectively.

To sum it all up Orange High's History department has a variety of classes for every student, so the next time your in the line for History, Try OHS History.

SOCIAL STUDIES

MATH

1. Mr. Nichol explains the daily assignment.
2. Mr. Carroll puts someone on the spot.
3. Kim Kapanoske expresses her feeling toward Algebra.
4. Jerry Burch, one of Orange High's proudest Mathematicians, tries to figure out a computer problem.

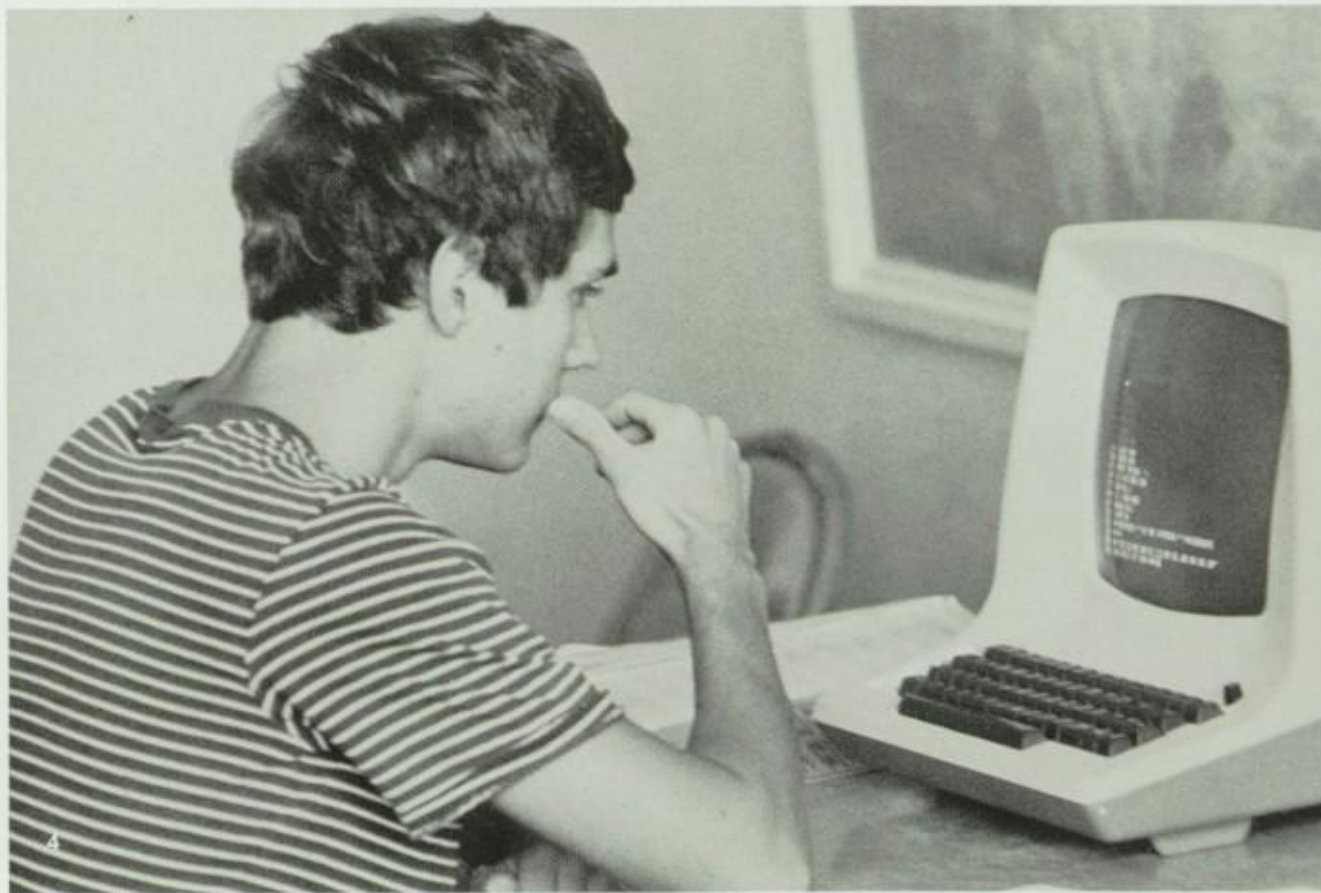

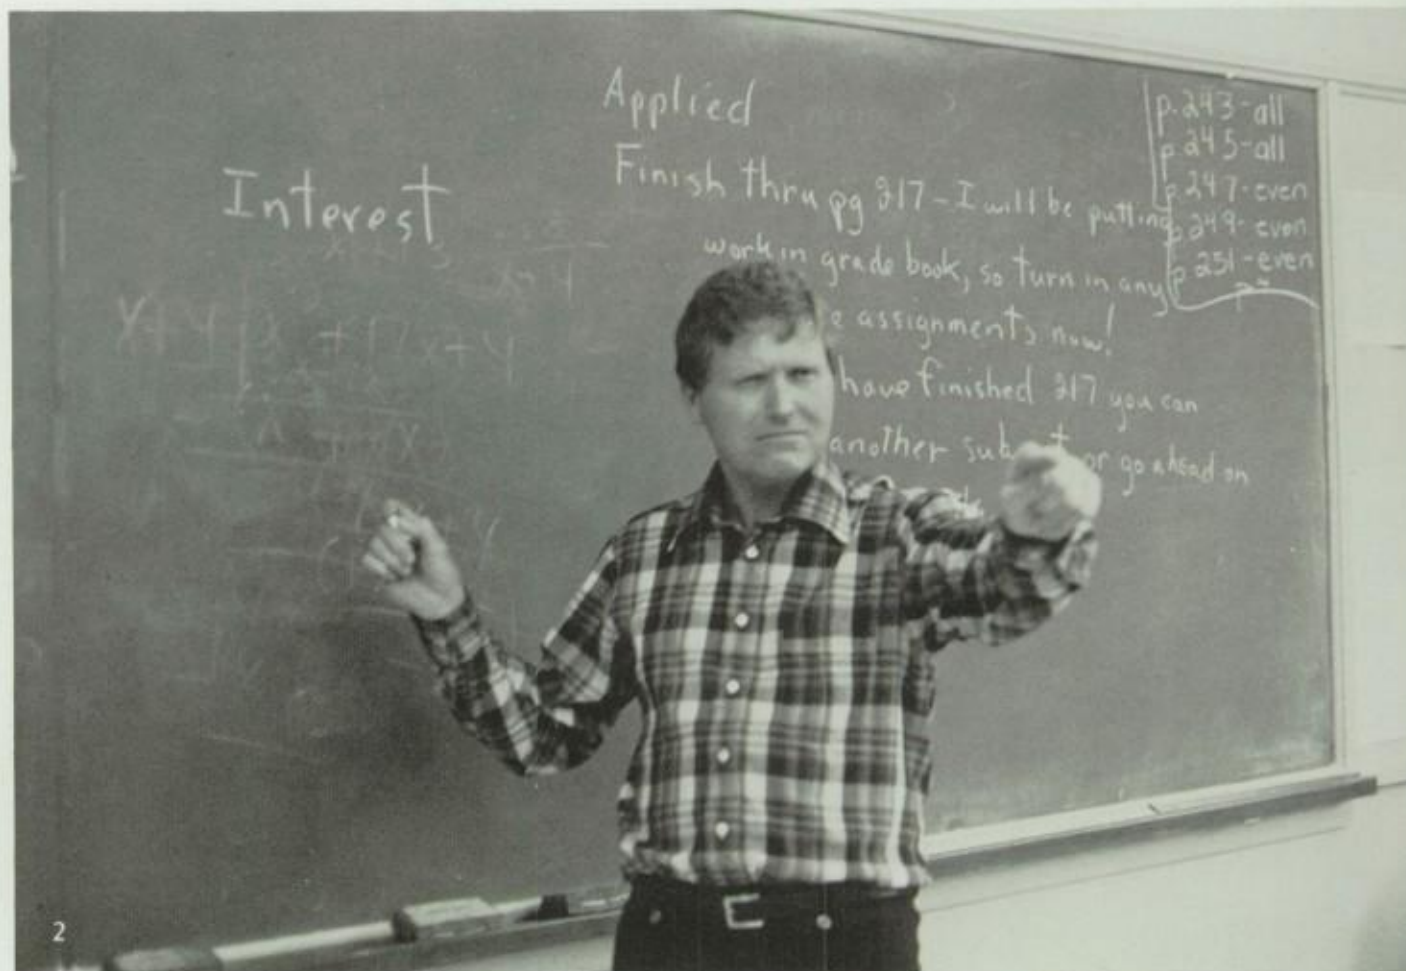

Although Math at Orange High is a definite challenge, most students find it very rewarding.

Many goals are set each year before entering the class and most goals are accomplished by the end of the school year.

Math at OHS serves many purposes. First, it helps the student prepare to take the junior or senior aptitude test, prepare for college and/or a successful Math career.

There are many different levels taught, starting with General Applied Math to the basic ICM and Calculus, with Algebra and Geometry included.

Many skilled and qualified teachers make Orange High Math Dept. the best.

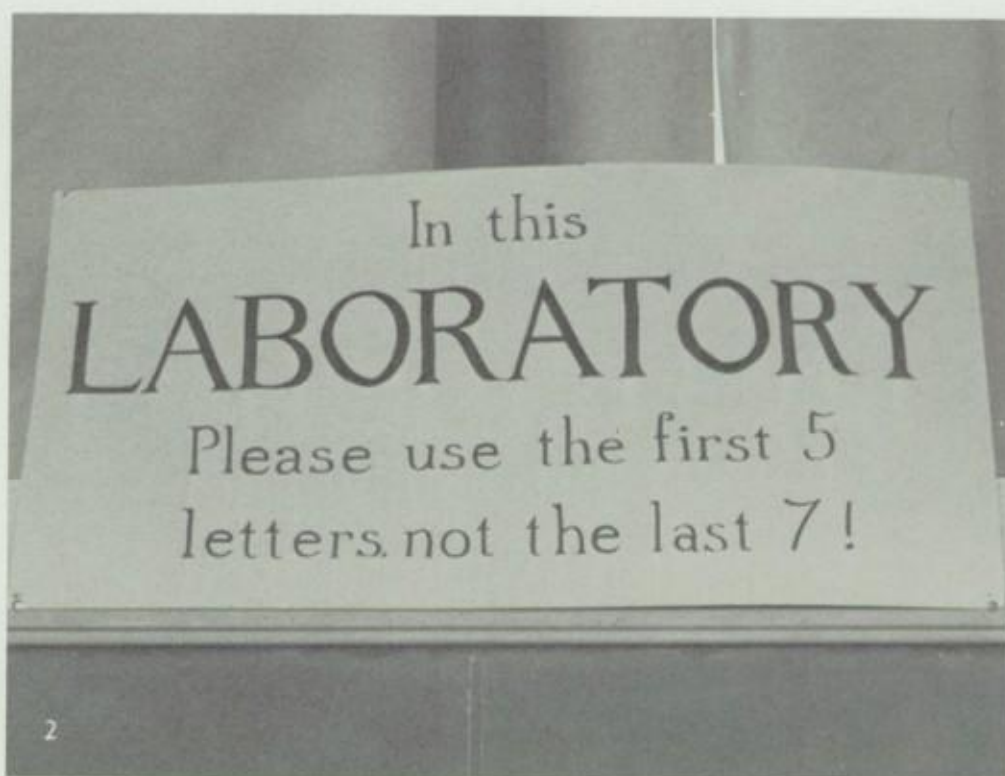

UCLA, USC, and Notre Dame are just a few destinations of some Science students at OHS, because along with everything else, Science is a college preparatory.

Science is divided into many courses. The main ones consist of Biology, Physics, Chemistry, and Physiology. Biology is a requirement for those who are planning to attend a University of California. It is the study of the growth, development, functions, and behavior of all living things. Physics discusses the study of sound and light including electrical, atomic and nuclear energy. Chemistry is recommended for the student who is preparing for the career of Dental, Pre-Med, or Veterinary Science. In this class, the study of chemical reactions, gases, and theories are studied. Those students who are interested in being a nurse or a Public Health consultant should look into Physiology. This course deals with the study of the anatomy and its functions.

In conclusion, Science offers many ways to have a successful future.

1. An average student on test day.
2. A word of wisdom to all Chemistry students.
3. Senior Bruce Kuluris peers into the world of microorganisms.

BUSINESS

When the bell rings at 7:45 each weekday morning, the Business Dept. becomes an active office, whether it is typing, Recordkeeping or just an office job.

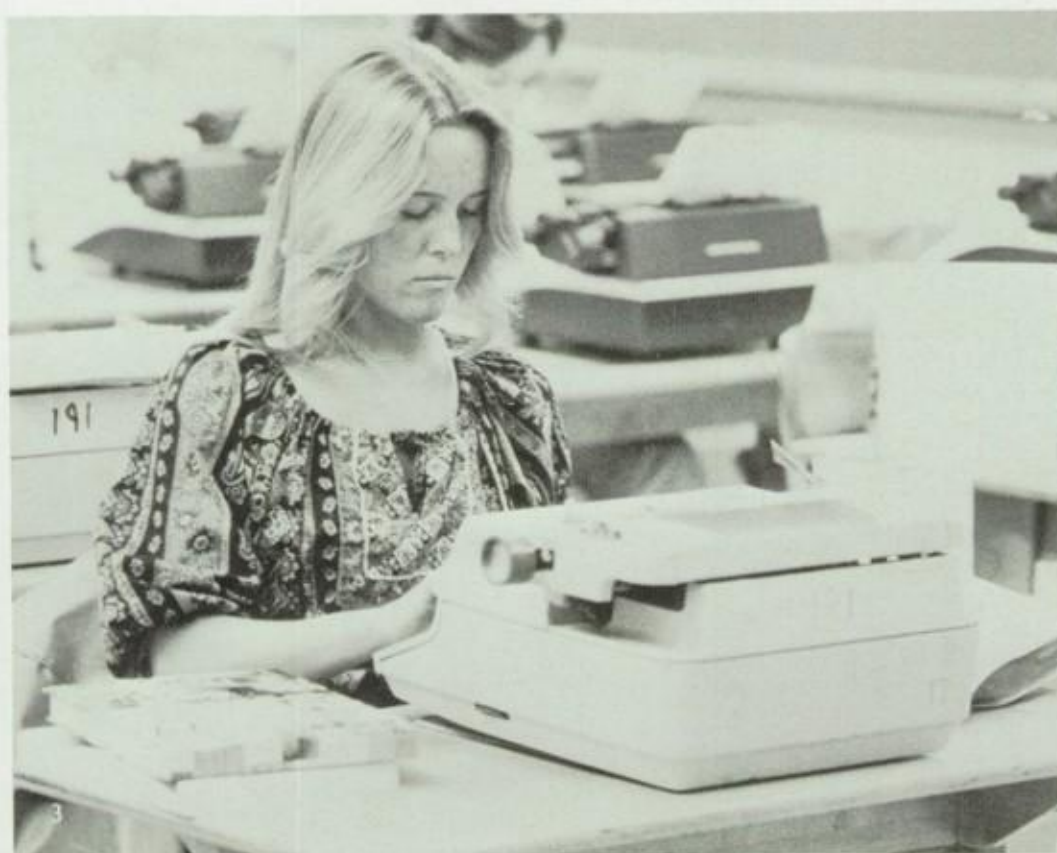

Many of these classes such as Typing and Bookkeeping prepare students for future job placement in the field of business.

With many outstanding teachers it is possible for job placement after graduation.

The result of hard work, careful planning, good instruction and determination, the Business Dept. at OHS serves as future of many Orange High graduates.

1. Concentration is the key to success in tests.
2. Vicki Swanson and Patty Monteleone race for finish.
3. Susan Shores finds meditation easier than typing.
4. David Bowman plays games during his final exam.

PHYSICAL EDUCATION

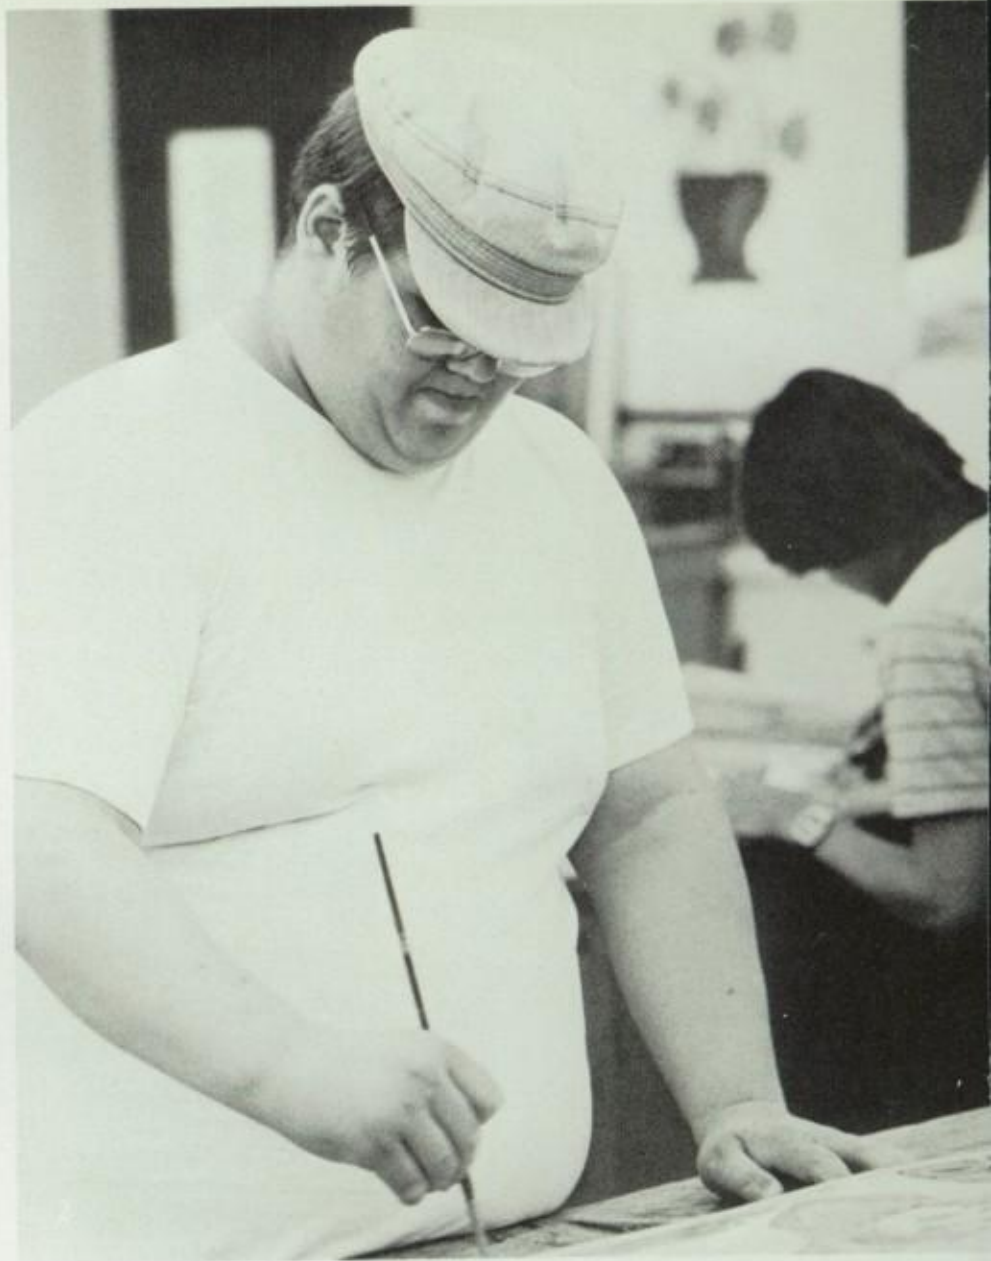

The Physical Education department helps the student to develop his interests in many lifetime activities. P.E. also helps to promote a good healthy self image through competition with others. Through P.E., students learn basic rules of the game and what it is like to play.

The student can choose from an almost endless list of sports including Badminton, Racquetball, Football, Scuba Diving and Soccer.

1. Penny Schwanz retrieves a low ball.
2. Anson McDaniel shows his killer serve.
3. "Hey, who's got the ball?"
4. Instructor Brian Miller explains the latest scuba techniques.

ARTS & CRAFTS

Giving students the skills in creating various media, the Art Department offers a chance to express themselves through creating special projects. Classes include: Art 1-4, Ceramics, Photography, and Jewelry. These courses also help the individual become more aware of other people's talents.

1. David Bryant experiments with dots.
2. Ken Murphy recreates a Picasso.
3. Leslie Clifton adds that final touch.
4. Lisa Stover forges a Rembrandt.

INDUSTRIAL ARTS

At 8:00 a.m. a steady noise begins to rise from the north corner of Orange High. As hammers pound and saws grind away wood and metal, the Industrial Arts department begins another day.

The Industrial Arts department at Orange is made up of a variety of courses. For example, Wood, Metal Machine and Auto Shop, and Drafting are a few of the courses offered. Each course is designed to educate the students in a specific industrial arts field. As the name suggests, Auto Shop teaches the individual such things as how to change the oil in their cars, Wood gives a student knowlage of how to make household items like shelves, tables, etc. Metal, Machine Shop, and Drafting are also classes helpful after graduation.

1. John Pargee displays his skill in cutting fingers.
2. Dave Webb turns out his latest project.
3. Joey Hamlin makes a stabbing attempt at drawing a straight line.
4. OHS students build the engine of the future.

R.O.P.

As the fire rages out of control, the fire trucks quickly pull up to the curb and unload the hose. The firemen desperately fight the fire and intense heat until the fire is out. Finally, the firemen clean up and review the drill. These are not regular firemen, though; they are Orange High students who are enrolled in fire science. This is only one side of the Regional Occupation Program's many exciting classes.

R.O.P. offers a wide variety of courses such as Animal care, Banking, Medical occupations, and travel agency work, just to name a few.

R.O.P. is designed to give students first hand knowledge of certain occupations so that they can decide if they would like to pursue such a job in the future. At the end of the course the students receive a certificate of completion and are also entered into a job placement program.

1. Scott Vanderstraeten demonstrates a "Leg Lock" for his Fire Science class.
2. R.O.P. Automotive Careers teacher, Mr. Bly, shows David Lowerre a problem in a carburetor.
3. Lisa Christense cuts a client's hair in Cosmetology.

With the spectators filling the stands and the judges in their places, the gladiator enters the ring and proudly displays his talent, but this is not ancient Rome, but here at the Orange County Fair. It is the end of the year and the Orange High agriculture students are displaying their current projects.

Agriculture and Horticulture are both year classes which teach the students necessary skills for these occupations. The facilities they include pens for more than fifty steers and about forty lambs. Agriculture also owns a propagation house, a lathe house, two pastures, and a garden. Here students engage in such projects as raising livestock, painting and maintaining equipment, making dish gardens and propagating plants from cuttings as well as seeds.

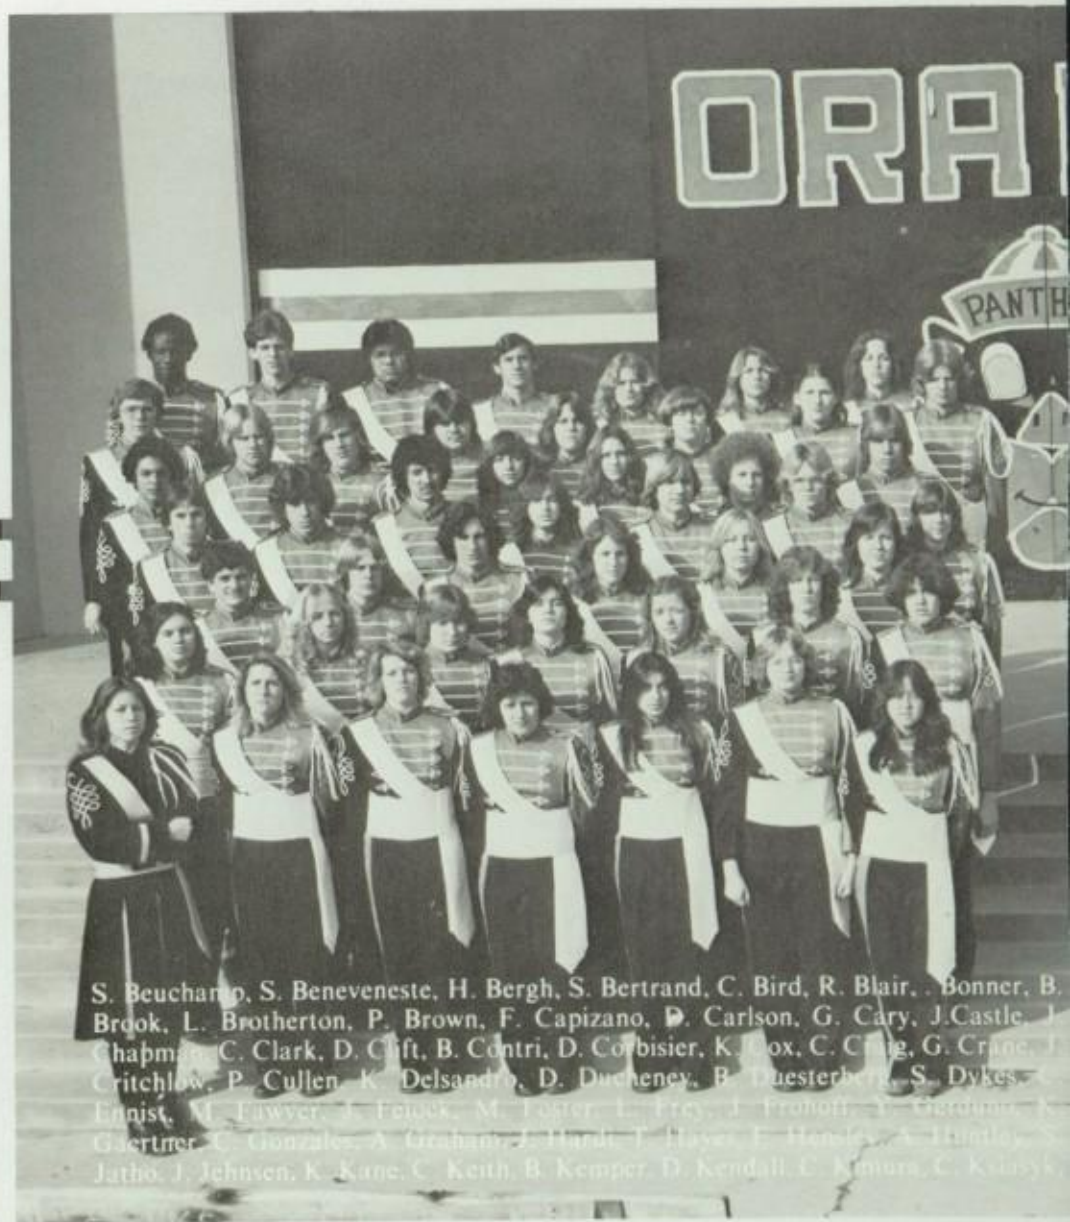

1. Agriculture's many facilities require constant maintenance and repair.
2. Ted Hike picks the "cream of the crops" in the O.H.S. garden.
3. A "freak" lamb was born last fall. Normal births occur during the springtime.
4. Horticulture students learn how to select crops on the basis of color, shape, size, etc.

AG./HORT.

MUSIC

The Panther guard Band Color guard and drill team had a slow year due to many cutbacks from prop. 13. Although the band experienced financial difficulties they took many second and third place trophies from many competitive meetings. Drum Majors Baron Ramos and Karlin Keeth lead the band in Corps style precision with the help of colorguard captain Sharon Wann.

The Band and Drillteam alike changed their uniforms this year which helped to enhance the general impression of the 1978-79 field show.

7. Rob Blair thrives on pure dedication.

MARCHING BAND

JAZZ BAND

O.H.S. is fortunate this year to have two Jazz Ensembles on campus. The Advanced Jazz Band and new this year, the Begining Jazz Band. Both bands were rated against many other jazz bands in various jazz festivals in Orange County. Jazz band combines the best of brass, woodwinds, and percussion in popular jazz tones. Shown here, O.H.S. Jazz band performs for the Homecoming court as they play "JAZZ MAN".

- 1). Zigmant Kanstul leads Jazz Band during a half time show.
- 2). Jass Band at full force.
- 3). Practice makes perfect; Jeff Bryant practices druming for Jazz Band.
- 4). Jazz Band gets ready for Pep Band.

Once again drill team enhanced Marching Band by performing along with the band at many field shows. Although Drill team does not play instruments members practiced and produced many dance routines to go along with the variety of band performances.

- 1.) Lori Moseley and Jennette Wotipka display winning style.
- 2.) Drill Team performed along with Marching Band and Color Guard during there visit to Merriots Great America.
- 3.) Drill Team performs in competition along with Marching Band.
- 4.) Sandra Sota dreams of first place.

DRILL TEAM

CHOIR

Orange High has one of the strongest choir programs in the district with four separate groups, Jazz Ensemble, Chamber Singers, Musical Production and Girls Chorus. Each of these choir performed on and off campus this year, providing entertainment for its listeners.

Jazz Ensemble entered several festival competitions this year as well as singing on campus. The Chamber Singers gave many concerts for service organizations, including Kiwanis International, and faculty Club. The chamber Singers also performed in the annual Spring Concert in the Little Theater. Girls Chorus entered festivals as well as singing in the Christmas Concert this year.

The main purpose of the Musical Production Class was to produce, "Roar of the Grease Paint; the Smell of the Crowd". A musical about a game played for love.

1. Chamber Singers bottom row: Kelly Van Fleet, Monica Arnold, Lisa Smith, Andy Eggman, Susan Steen, Sheri Davis, Steve Harding. Second row: Mark Felix, Bob Hammond, Gwyn Bleir, David Van Patten, Angela Epperson, Bob Costa, Leslie Reed, Don Kirwan, Gretchen Boettcher. Back row: David Getsheow, Chris Nash, Roger Harrison, Cyndee Cundiff, Anette Iverson, John Hennessy, Nancy Armstrong, Doug Holte.
2. Mr. Allen Pauses while being M.C. for the Choir.
3. Senior Mindy Ball accompanied the Chamber Singers and sang a solo for the Christmas Concert.

The Drama classes here at Orange High this year provided both the students and faculty with a wide variety of entertainment, including small skits at assemblies, and major plays such as *You Can't Take It with You*, which was about a family of eccentric individuals whom live life to its fullest by partaking in a wide range of strange hobbies. A printing, play writing, going to commencements, making fireworks, and collecting snakes. Although the play was first produced in 1937, it has become a classic comedy of the American Theatre.

- 1). Tony Reichardt plotting his next "set up".
- 2). Support your local library.
- 3). Confusion reigns on the set during rehearsal of *You Can't Take it With You*.
- 4). Drama students rearrange the stage before rehearsal.

DRAAMA

An abstract graphic design featuring a diagonal split. The upper-left portion of the image is white, while the lower-right portion is solid black. A thin white line runs parallel to the diagonal boundary between the two colors. The word "SPIRIT!" is written in a bold, black, sans-serif font, slanted to follow the diagonal line. The exclamation mark is prominent and integrated into the word's design.

Dear Mona
so we finally got
though Reed's being
class. If you hadn't
been in this class I probably
could have died of boredom.
I'm really glad I met you.
I hope you have a great summer,
I'll come to see you this summer, I'll make to
sure I'll come in to your work sometime to
see you if you give me a free pizza. I'll come
in without them though so you won't get jealous.
I'll keep partying and be good.
Love always
Dan

6-13-79 Wednesday

Mona... Well,..... I... don't know how to start off. I'm
lying here in bed with my nude body under my
sheet in a state of shock. It's 11:50 p.m. about 10 minutes
after our "TALK". I'm afraid to ~~write~~ write anything, mostly
because I don't know what is going on in your head.
I wish I knew why everything was so hard and
complicated. It shouldn't be this way. Maybe this is
supposed to happen every now and then just so that
everyone knows what is going on and that things
are still the same..... (I had to think for a minute.)
I've got my annual here with me. I've just read what
you wrote in it. I hope that nothing much has changed
from when you wrote that. I sort of feel like I'm crawl-
ing on my knees trying to keep up with you but
you keep walking away faster. (Of that makes any sense.)
Mona, I'm really trying to think what would be
the best thing for me to do. Whether you know or not you
do mean something to me and you do have a place
in my life. I think what scares me is that it may
be slipping away when I never really had a
chance to know it and be with it. But I am not
going to do something stupid that I think will make
it stay there when it will really wreck things.
If you were to say that you had changed and
that "we" (us) weren't the same anymore I would really
be kind of hurt. It's like things were started but never
followed through. I would have never gotten to see the
way things could be. So much has happened, all the
peach brandy at the beginning, the ways you got me
over to your house (I am really slow!). It would be easy
for me to just say forget it, just let it end, don't keep
going at it, but I feel that this just can't be the end
of everything. There has got to be a way in which

we would both come out happy. Wouldn't you feel kind of cheated if things just ended quietly now and just be friends. I don't want it that way!! You say that your friends make you feel important and I don't have anything against that it's just that I wish I could get a chance to do the same. I don't what way they make you feel that way but... oh crap, I don't want to get into that garbage again. OK... I'm not a pro when it comes to girls and relationships I wish I were boy do I even! But I'm not! Mona, I don't know what to do, you're going to have to tell me what you want because I don't understand. Makey now that school is through things may start to change and of course they makey won't. I just don't want to end up well, what I guess. I just mainly don't know what is supposed to happen next. (I will remind you that hopefully will laugh about this!) Mona I want you to tell me what you want, otherwise I'll just be standing around like a stupid idiot!

Let me start again..... (I really am going in circles!) I used to love the way you would get all nervous when we'd be at work and you'd ask me over. I had such a nice time at x-mas when I came over to your grandparents for dinner. Or the times we would be saying good-bye to each other for about 2 hours before I finally did leave. I'm of course even though our 1st date wasn't the greatest, now that I think of it, and picture it in my mind, you were probably the cutest thing I ever ~~ever~~ saw. You were so nervous. You looked very nice that night you had a black dress and a comb on the side of your hair and I remember you being a real good girl.

tans (o-o-o Baby). Don't you wish we could start all over again now that we know kind of what not to do and what to do. (I feel funny writing this because it's coming from what I really feel, but you never knew how I felt since I don't show it)

Tomorrow you're going to come to me and I'll give you your book and you'll go and read it and I sure hope you don't get the wrong idea about anything. The main thing I want to do is start over. I want to have a new beginning. (I hope there's still a spark left in you that I can light.) I don't want to end anything Mena, you're just too nice, and I've had many good times with you. We've got to make some more memories. I hope everything works out ~~some~~ this time. If it doesn't, well then I guess well ~~know~~ where we stand, right. I'm planning on things working out. To begin with, I will try super hard to not talk about your friends.

There's something you've got Mena, or I wouldn't be so persistent. I really will try, but I think we should talk and set each other straight, it's kind of hard to do that through these silly annuals. I've got to go to bed, I'm pooped. I just want to say one last thing. I'm looking at the banquet photo. You were sure beautiful that night.

Bye! Love + Say,
Loubory

I still love the RONETTES too!

Mona, (sexy)

Well, we made it through P.E. & Forehead together.
It wasn't easy but we did. I sure was nice when I
looked at Stover's ugly mug to know I could ~~the~~ turn
around & look at you to keep me from getting sick.
Then after her long boring speeches the bell rings
& I could look at your butt to wake me up.
Thanks,

John Head.

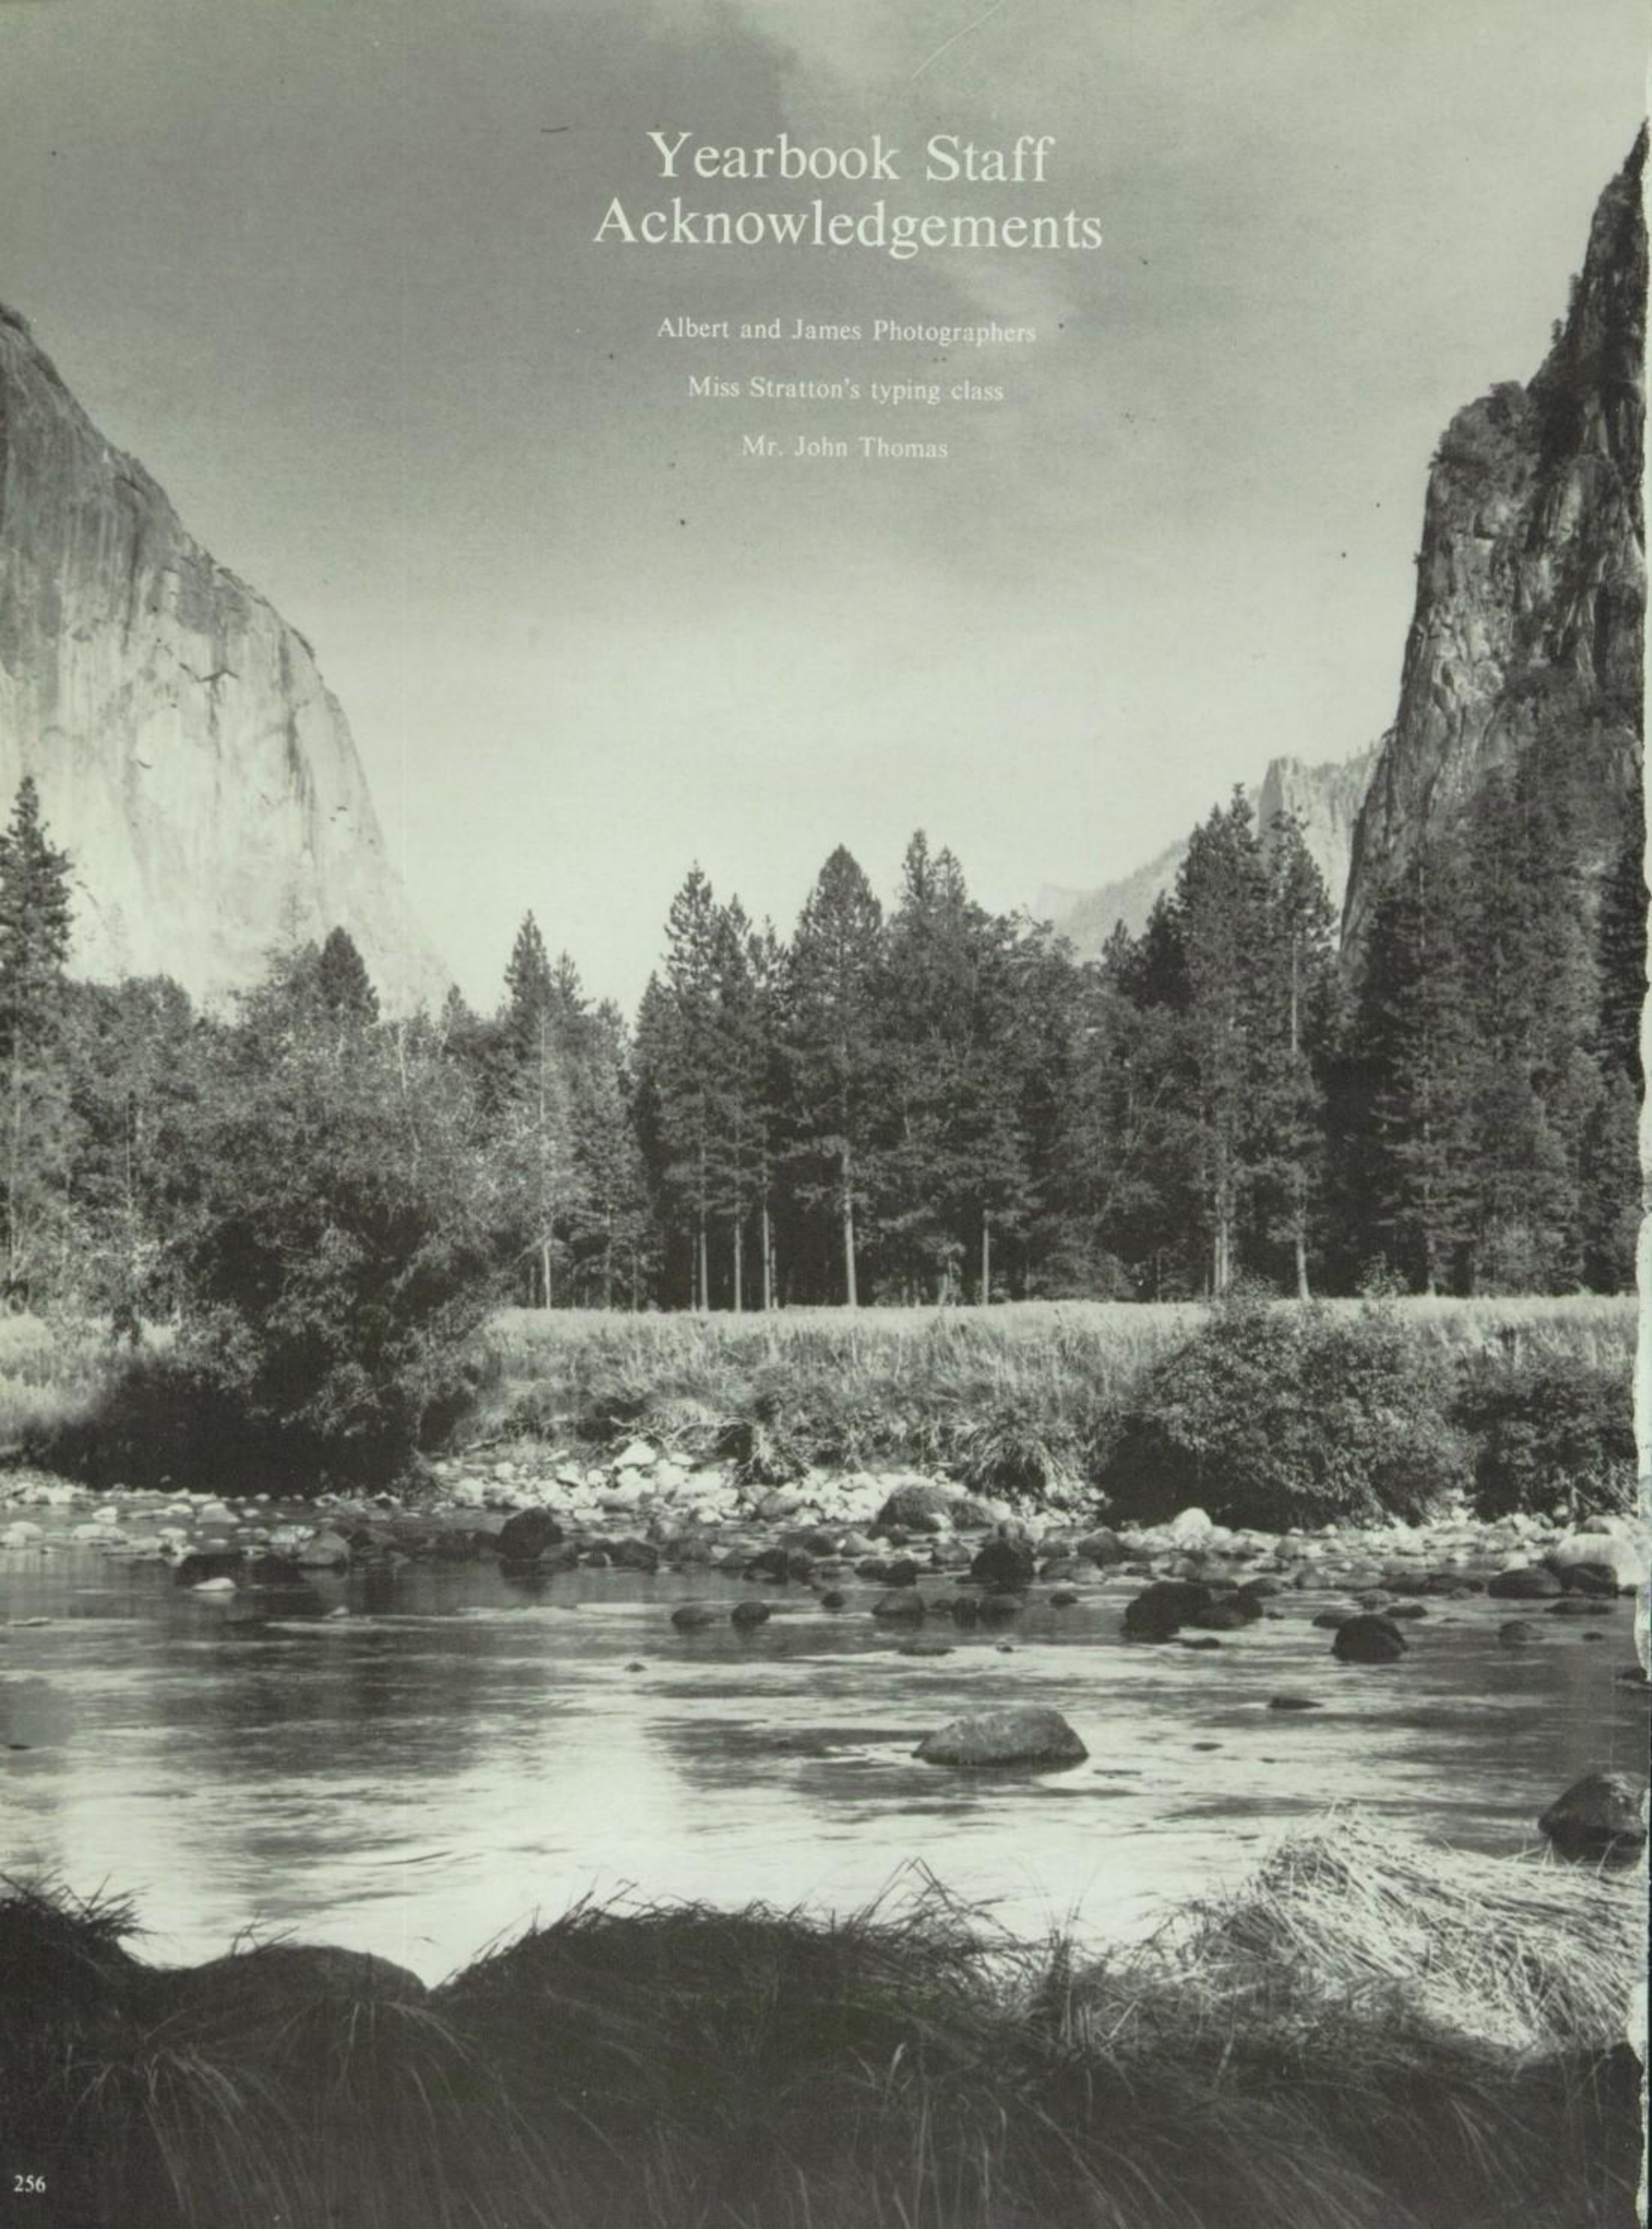

Mona
you have been
a very good friend
to me. I thank you
for being and when I need
you and thank you for
putting up with me. I love
you. I love you a sweet
heart. I love you like jam
saying good bye to each other
not in the summer and at Buster's
in the next year and at work
and and and (well I know)
I love you
Love
Mary

Mr. John Thomas

Mona,
I'm very happy I got to know you. You are a
great person + great to talk to. Let's see I
met you, when I started got to be friends w/
Tony. Ever since then we had great times to-
gether, especially during DE.. How about that
lunch we had. That was fun, wasn't it?!!
And the Drama Banquet, what a blast!! To bad
you & Tony had to leave. You missed the excitement
of watching Judy & Suzy making out, Gross huh!
It was fun sitting w/ you during lunch too...
Well, that is all I can think of - - -
Your friend always
Mark Gomez

P.S. see you during
the summer at
"Mona Grande"
A next year too.
